Second, the **City of Morgantown Public Communications Office** is conducting a survey of citizens to identify brand sentiment towards current City of Morgantown branding.

The survey results will be used to measure the effect of rebranding on how citizens feel about the City of Morgantown, and in turn provide the City with a chronicle of the sentiment change as it implements changes in logo, motto, look, design, and style. Please help by offering insight into how you feel regarding our logo, goals, values, direction, and current services.

Deadline is March 20, 2014.

Your name is not needed and responses will be treated with confidentiality.
