Walnut Street Stakeholders to Meet Regarding Improvement Project

The meeting will be used to gather input on the upcoming project.

MORGANTOWN – This summer, the next phase of street improvements in the downtown area will involve Walnut Street, and planning is well under way.

On Wednesday March 12, 2014 from 2:00 PM to 3:00 PM, the City of Morgantown will be holding a meeting for the Walnut Street Infrastructure Improvement Project to discuss the design and schedule for the next phase of the Downtown Historic District streetscape improvement program.

The meeting will be held at Public Safety Building Training Room, 300 Spruce Street, Morgantown, WV, and is for project stakeholders including the City of Morgantown; the City's engineering consultant, AECOM; Main Street Morgantown; business and property owners; utility companies; public agencies; local officials; and other interested parties.

The agenda will also include a discussion of lessons learned from the completed High Street Streetscape Improvement Project.
