Schedule Released for High Street Streetscape Improvement Phase V

Preliminary designs for the project will be unveiled in April.

MORGANTOWN – A full project schedule has been released following a stakeholders meeting for Phase V of the High Street Streetscape Improvement Program.

Engineering design services company AECOM was selected to help meld the ideas gathered into a feasible design for High Street, between Kirk Street and Foundry Street, in the Historic Central Business District.

Currently, city administration, staff, and representatives from Main Street Morgantown are reviewing maintenance and functionality of past Phases and how to improve upon vegetation, tree pits, curbing, and lighting features,

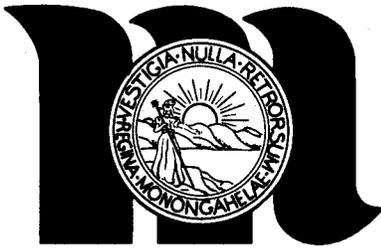

As referenced in the attached schedule, construction is anticipated to start at the beginning of August and wrap up in November 2012.

A follow-up meeting regarding feedback for the working design schematics will be held Thursday, April 19, 2012 at 9 a.m. on the first floor of the Arts Monongalia Building, located at 201 High Street.

A public unveiling of preliminary designs will be held during the April 24, 2012 Committee of the Whole Meeting in Council Chambers at 7 p.m.

If you have questions, please contact the City Manager's office Monday through Friday between the hours of 8 a.m. and 4 p.m. The number there is (304) 284-7405.
