Councilor Byrne: No report.

Councilor Selin: Councilor Selin concurred that she would like the issue of paid handicapped parking looked into and agreed that clean-up efforts should be kept up at all opportunities.

Councilor Nugent: Councilor Nugent also thanked Mr. Kelly for his comments, ideas and enthusiasm. He commented on handicapped parking, and Mr. Mikorski added concerns of this nature can be directed to the Parking Authority. Councilor Nugent then announced Downtown activities, MAC anniversary celebrations, and various events including an evening at Ali Baba Restaurant.

Councilor Bane:

Councilor Bane thanked Mr. Kelly for appearing before Council. He wished well the participants of the United Way Corporate Cup event, and encouraged citizens to be aware of national news events.

Mayor Manilla:

Mayor Manilla confirmed with Mr. Mikorski that High Street will be paved this year, and asked for an update about new pedestrian signage for High Street. He referred Ms. Ervin to the Homelessness Task force and offered contacts which might assist her situation.

Mayor Manilla then commented on recent news articles, and directed his comments to the new Council and future Councils; stating that the 'wish-list' article geared toward the new Council and recently published in the Dominion Post is not based in fact with regard to the City's budget. He stated that this article also references late bar closing times and its alleged correlation to crimes. Mayor Manilla noted that closing the bars early would take away B&O taxes from the City which it relies on for more than half of its operating budget. Additionally, he deduces that the party would continue on at homes in neighborhoods after early bar closing times.

He also commented on truck traffic as referenced in this and another article. He clarified the facts, noting the issue has nothing to do with offending Greer Limestone. The City has concluded that legally, Council does not have the authority to regulate truck traffic on State Routes in the City. Mayor Manilla encouraged the new Council members to heed the determinations of City Administration, especially the Manager and Attorney. He asked that they not allow themselves to be swayed by outside influences, but rely on the competent Administration in place to help guide them with future issues.

Sessions entered into at 8:40 p.m.

**ADJOURNMENT:** There being no further items of business or discussion, the meeting adjourned by unanimous consent at 9:25 p.m.

## City Manager's Report for City Council June 18, 2013

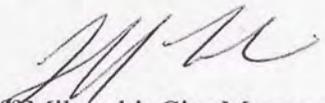

### Information:

Archie's and Classics 3, both located in Sabraton, have requested Floor Plan Extensions from the WVABCA for the Mountain Fest Motorcycle Rally July 24-28, 2013. This would allow them to extend their business sales outside of their building, on their property during this event. As a part of the Floor Plan Extension application, the city has provided a letter of approval to the ABCA. Both businesses have participated in events, such as this, in the past and have favorable reputations regarding these events. The Morgantown Police Department will monitor events for compliance with City laws.

### Action:

As a part of the Ordinance amending the General Fund that is up for second reading in tonight's City Council meeting, I am requesting to amend the City Capital Escrow expenditure list to reflect the reduced revenues. A list of those changes can be seen in the attached memo from Finance Director J.R., Sabatelli.

A reassessment of the construction projects taking place in the City and the projected revenues from the construction is ongoing. Projects such as the 2013 paving and the contributions to the Financial Stabilization Fund will be re-budgeted, along with other currently non-funded projects, at the beginning of the 2014 Fiscal year.

## MEMORANDUM

TO: City Council  
Jeff Mikorski, City Manager

FROM: Timothy L. Ball, General Manager, MUB

DATE: June 12, 2013

SUBJECT: **BOND ORDINANCE  
RATE ORDINANCE  
ACQUISITION ORDINANCE  
ACQUISITION AGREEMENT  
RELATED MUB RESOLUTIONS  
RELATED COUNTY COMMISSION ORDER  
SCOTTS RUN PSD ACQUISITION  
COUNCIL MEETING INFORMATION  
For June 18, 2013**

This will serve as a read ahead to help you prepare for the meeting. If you have any questions please contact me prior to the meeting on Tuesday evening.

The attached ordinances and acquisition agreement will facilitate MUB's acquisition of the Scotts Run PSD (SRPSD). SRPSD provides sanitary sewer service to the Osage area, including Mylan Park and University Town Centre. It was recently (10 years ago) constructed using a \$3.9 million grant and a combination of loans totaling \$9.9 million loan (0.5%, 30 years, 0.25%, 36 years). SRPSD currently serves about 970 customers.

The SRPSD has recognized that it lacks the staff and resources to properly manage its operations, and has asked to be acquired by MUB. The County Commission endorses this action. The acquisition has been identified by the SRPSD and the County Commission as the best solution for the challenges facing SRPSD, and it is also an opportunity for MUB to expand its customer base and service area.

We have recently received the commitment of the WV DEP to allow MUB to assume the debt of SRPSD. It is this commitment that makes the acquisition feasible. We will not pay any other consideration to SRPSD for this acquisition. The assumption of the debt necessitates the proposed Bond Ordinance.

We propose to keep the existing rates in place that currently apply to the SRPSD service area. Addition of these rates to the MUB tariff necessitates the proposed Rate Ordinance.

This acquisition will allow a valuable system addition to be done, and without subsidization by MUB.

The acquisition agreement is an Exhibit to the Acquisition Ordinance. Approval of the Acquisition Ordinance will, by that act, include approval of the acquisition agreement. The Mayor will need to execute the acquisition agreement AFTER PSC approval has been obtained.

I include Resolutions approved by the MUB Board endorsing the acquisition agreement and the bond ordinance and assumption of debt. I also include a copy of the County Commission's Order which approves the acquisition.

Actions requested of City Council are review and approval of the following:

- Acquisition Ordinance
- Rate Ordinance
- Bond Ordinance

Please note also that you should expect public comment from some members of the Scotts Run community who oppose the proposed acquisition. Several such persons spoke at the MUB meeting and the SRPSD meeting, both held May 22, 2013. Similar comments were presented to the County Commission at its meetings of May 29\* and June 5. After taking these comments into consideration\*, both Boards and the County Commission voted to proceed with the acquisition.

In addition to your approval, the acquisition must still be approved by the Public Service Commission.

I will attend the Council meeting, and will be happy to provide any further explanation that you may desire.

\* At the County Commission meeting of May 29, questions were raised regarding the eligibility of certain SRPSD Board member(s). For that reason, the County Commission then tabled the subject of the acquisition, and requested the Asst Prosecuting Attorney to provide an opinion. The eligibility of the Board member(s) was confirmed, and the County Commission approved the acquisition on June 5.

## **ARTICLE I**

### **STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS**

Section 1.01. Authority for this Ordinance. This Ordinance (together with any ordinance, order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is enacted pursuant to the provisions of Chapter 8, Article 20, Chapter 22C, Article 1 and Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. The City of Morgantown (the "Issuer") is a municipal corporation and political subdivision of the State of West Virginia in Monongalia County of said State.

B. The Issuer presently owns and operates, through the Morgantown Utility Board (the "Board"), a public combined waterworks, sewerage and stormwater system. It is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be acquired from the Scotts Run Public Service District (the "District") the existing sewer system of the District (collectively, the "District Assets") from the District, which District

Assets constitute properties for the collection, transportation, treatment, purification, or disposal of liquid or solid wastes, residential sewage or industrial waste (the existing combined waterworks, sewerage and stormwater system of the Issuer, the District Assets and any further additions, betterments and improvements thereto are herein called the "System"), pursuant to an Acquisition Agreement by and among the Issuer, the Board and the District, which Acquisition Agreement shall be approved by Supplemental Resolution (the "Acquisition Agreement").

C. The District has heretofore financed the acquisition and construction of public sewerage facilities to provide sewer service to approximately 970 customers in Monongalia County, by the issuance of its (i) Sewer Revenue Bonds, Series 1991 A (West Virginia Water Development Authority), dated December 20, 1991, issued in the original aggregate principal amount of \$137,568; (ii) Sewer Revenue Bonds, Series 1991 B (West Virginia Water Development Authority), dated December 20, 1991, issued in the original aggregate principal amount of \$4,586; (iii) Sewer Revenue Bonds, Series 2003 A (West Virginia SRF Program), dated November 25, 2003, issued in the original aggregate principal amount of \$8,111,813; and (iv) Sewer Revenue Bonds, Series 2009 A (West Virginia SRF Program), dated December 18, 2009, issued in the original aggregate principal amount of \$1,688,394 (collectively, the "District Bonds").

D. The District Bonds were issued pursuant to Resolutions of the District previously enacted for such purpose (such resolutions, as amended and supplemented, are herein called the "District Resolutions").

E. It is deemed necessary and desirable for the Issuer to provide for the acquisition of the District Assets and the Assumption and Re-designation of the District Bonds.

F. The District permanently financed the acquisition of the District Assets through the issuance of the District Bonds to the West Virginia Water Development Authority (the "Authority").

G. It is deemed necessary for the Issuer to assume the District Bonds and Re-Designate them as: (i) "The City of Morgantown Combined Utility System Revenue Bonds, Series 2013 B (West Virginia Water Development Authority)"; (ii) "The City of Morgantown Combined Utility System Revenue Bonds, Series 2013 C (West Virginia Water Development Authority)"; (iii) "The City of Morgantown Combined Utility System Revenue Bonds, Series 2013 D (West Virginia SRF Program)"; and (iv) "The City of Morgantown Combined Utility System Revenue Bonds, Series 2013 E (West Virginia SRF Program)", (collectively, the "Series 2013 Bonds"), as consideration for acquisition of the District Assets.

H. The period of usefulness of the System is not less than 36 years.

I. It is in the best interests of the Issuer that the Series 2013 B Bonds and Series 2013 C Bonds continue to be held by the Authority pursuant to the terms and provisions of a Loan Agreement by and between the District and the Authority in form satisfactory to the respective parties (the "Loan Agreement"), which Loan Agreement shall be assumed by the

Issuer contemporaneously with the acquisition of the District Assets and assumption of the District Bonds, and which assumption is specifically approved hereby.

It is in the best interests of the Issuer that the Series 2013 D Bonds continue to be held by the Authority pursuant to the terms and provisions of a Bond Purchase Agreement dated November 6, 2003 by and among the District, the Authority and the DEP in form satisfactory to the respective parties (the "Bond Purchase Agreement"), which Bond Purchase Agreement shall be assumed by the Issuer contemporaneously with the acquisition of the District Assets and assumption of the District Bonds, and which assumption is specifically approved hereby.

It is in the best interests of the Issuer that the Series 2013 E Bonds continue to be held by the Authority pursuant to the terms and provisions of a ARRA Assistance Agreement dated December 18, 2009 by and among the District, the Authority and the DEP in form satisfactory to the respective parties (the "ARRA Assistance Agreement"), which ARRA Assistance Agreement shall be assumed by the Issuer contemporaneously with the acquisition of the District Assets and assumption of the District Bonds, and which assumption is specifically approved hereby.

**ARTICLE VII**

## ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2013 Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 2013 Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2013 Bonds or the interest thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2013 Bonds shall not be nor constitute a corporate indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of the Series 2013 Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 2013 Bonds or the interest thereon.

Section 7.03. Bonds Secured by Pledge of Gross Revenues; Lien Position with respect to Prior Bonds. The payment of debt service of the Series 2013 Bonds shall be secured by a first lien on the Gross Revenues derived from the System, on a parity with the lien on the Gross Revenues in favor of the Holders of the Prior Bonds. Such Gross Revenues in an amount sufficient to pay the principal of and interest on the Series 2013 Bonds and the Prior Bonds and to make all other payments provided for in this Bond Legislation and the Prior Ordinances are hereby irrevocably pledged to such payments as they become due.

Section 7.04. Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal and the Issuer shall supply an opinion of counsel to such effect. Such rates and charges shall be sufficient to comply with the requirements of the Loan Agreement, the Bond Purchase Agreement and the ARRA Assistance Agreement and the Issuer shall supply a certificate of certified public accountant to such effect. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth in the water rate ordinance of the Issuer enacted June 21, 2011 the sewer rate ordinance of the Issuer enacted November 20, 2012 and the stormwater rate ordinance of the Issuer enacted April 17, 2008, which rates are incorporated herein by reference as a part hereof.

So long as the Series 2013 Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the Loan Agreement, the Bond Purchase Agreement and the ARRA Assistance Agreement. In the event the schedule of rates, fees and charges initially established for the System in connection with the Series 2013 Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation, the Loan

Agreement, the Bond Purchase Agreement and the ARRA Assistance Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation, the Loan Agreement, the Bond Purchase Agreement and the ARRA Assistance Agreement.

Section 7.05. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of or encumber the System, or any part thereof, except as provided in the Prior Ordinances. Additionally, so long as the Series 2013 Bonds are outstanding and except as otherwise required by law or with the written consent of the DEP and the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding, in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2013 Bonds, immediately be remitted to the Commission and, with the written permission of the DEP and the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest on the Series 2013 Bonds. Any balance remaining after the payment of the Series 2013 Bonds and interest thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$50,000, the Board shall, by resolution, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Revenue Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$50,000 but not in excess of \$200,000, the Board shall first, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public bidding. The proceeds of any such sale shall be deposited in the Depreciation Fund. The payment of such proceeds into the Depreciation Fund shall not reduce the amount required to be paid into such account by other provisions of this Bond Legislation.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall

be in excess of \$200,000 and insufficient to pay all Bonds then Outstanding, without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of the Series 2013 Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Series 2013 Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System. Moneys received upon any such sale under this paragraph, after deduction of all costs of such sale, shall be deposited in the Revenue Fund.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided for in Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2013 Bonds and the Prior Bonds. All obligations issued by the Issuer after the assumption and re-designation of the Series 2013 Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Series 2013 Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts established by this Bond Legislation have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2013 Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Series 2013 Bonds and the interest thereon in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and the DEP prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants for the System, or any other obligations related to the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the assumption and re-designation of the Series 2013 Bonds pursuant to this Bond Legislation, without the prior written consent of the Authority and the DEP and without complying with the conditions and requirements herein provided (unless less restrictive than the provisions of the Prior Ordinances).

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2013 Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of design, acquisition or construction of extensions, additions, improvements or betterments to the System or refunding any outstanding Bonds, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the City Clerk a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Bond Legislation then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the City Clerk prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12 consecutive month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the issuance of such Parity Bonds. For purposes of this test, the terms "Gross Revenues" and "Net Revenues" shall not include proceeds from the sale of capital assets.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. All Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Gross Revenues of the System, and their source of and security for payment from the Gross Revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created

in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior lien of the Series 2013 Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2013 Bonds.

No Parity Bonds shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation and the Prior Ordinances, shall have been made in full as required to the date of delivery of the Parity Bonds, and the Issuer then be in full compliance with all the covenants, agreements and terms of this Bond Legislation and the Prior Ordinances.

Section 7.08. Books; Records and Audit. The Board shall permit the Authority and the DEP, or their agents and representatives, to inspect all books, documents, papers and records relating to the System at all reasonable times for the purpose of audit and examination. The Board shall submit to the Authority and the DEP such documents and information as they may reasonably require in connection with the operation and maintenance of the System.

The Board shall permit the Authority and the DEP, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times.

The Board will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Board. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Board. The Board shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Board shall be reported to such agent of the Issuer as the Board shall direct.

The Board shall file with the Authority and the DEP, or any other original purchaser of the Series 2013 Bonds, and shall mail in each year to any Holder or Holders of the Series 2013 Bonds, requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation and the status of all said funds and accounts.

(C) The amount of any Bonds, notes or other obligations payable from the revenues of the System outstanding.

The Board shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountant (and to the extent legally required, in compliance with the applicable OMB Circular, or any successor thereof, and the Single Audit Act, or any successor thereof), and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountant, or a summary thereof, to any Holder or Holders of the Series 2013 Bonds and shall submit said report to the Authority and the DEP, or any other original purchaser of the Series 2013 Bonds. Such audit report submitted to the Authority and the DEP shall include a statement that notes whether the results of tests disclosed instances of noncompliance that are required to be reported under government auditing standards and, if there are, describes the instances of noncompliance and the audited financial statements shall include a statement that notes whether the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the Loan Agreement, the Bond Purchase Agreement and the ARRA Assistance Agreement and the Act, the Issuer has acquired, or shall do all things necessary to acquire the District Assets and shall do, is doing or has done all things necessary to acquire the District Assets. All real estate and interests in real estate and all personal property constituting the District Assets heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Board shall provide the Authority and the DEP, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority and the DEP with respect to the System pursuant to the Act.

Section 7.09. Rates. Prior to the assumption and re-designation of the Series 2013 Bonds, equitable rates or charges for the use of and service rendered by the System shall be established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the City Clerk, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and

charges shall be charged and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Series 2013 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2013 Bonds, including the Prior Bonds; provided that, in the event that amounts equal to or in excess of the reserve requirements are on deposit in the respective Series 2013 Bonds Reserve Accounts and any reserve accounts for obligations on a parity with the Series 2013 Bonds are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2013 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2013 Bonds, including the Prior Bonds. In any event, the Issuer shall not reduce the rates or charges for services set forth in the rate ordinances described in Section 7.04.

The Issuer hereby covenants to commence enactment of such ordinance or ordinances as shall be required to increase the rates and charges for the services and facilities of the System within 30 days following a determination of the Independent Certified Public Accountant that less than the above-required coverage exists or in the event that the annual audit report shows less than the above-required coverage, such increase to provide rates and charges sufficient to produce such required coverage.

Section 7.10. Operating Budget and Monthly Financial Report. The Board shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year. The Board shall within 30 days of adoption thereof mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Authority and the DEP and to any Holder of any Bonds who shall file his or her address with the Issuer and request in writing that copies of all such budgets and resolutions be furnished him or her and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Authority, the DEP and any Holder of any Bonds or anyone acting for and on behalf of such Holder of any Bonds.

Section 7.11. Operating Personnel. The Issuer shall employ qualified operating personnel properly certified by the State to operate the System during the entire term of the Loan Agreement, the Bond Purchase Agreement and the ARRA Assistance Agreement.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Board will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and payable, the user of the services and facilities shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the sewerage portion of the System and any services and facilities of the waterworks portion of the System, to all users of the services of the sewerage system delinquent in payment of charges for the services of the sewerage system and will not restore such services of either the waterworks system or the sewerage system until all delinquent charges for the services of the sewerage system, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law. If the waterworks facilities are not owned by the Issuer, the Issuer shall use diligent efforts to enter into a termination agreement with the provider of such water services, subject to any required approval of such agreements by the Public Service Commission of West Virginia.

Section 7.14. No Free Services. The Board will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer or the Board, or any department, agency, instrumentality, officer or employee of either shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer, the Board and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance A.
