**BE IT ORDAINED AND ENACTED BY THE COUNCIL OF THE CITY OF MORGANTOWN:**

**ARTICLE I**

**STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS**

Section 1.01. Authority for this Ordinance. This Ordinance (together with any ordinance, order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is enacted pursuant to the provisions of Chapter 8, Article 20 and Chapter 31, Article 15A of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. The City of Morgantown (the "Issuer") is a municipal corporation and political subdivision of the State of West Virginia in Monongalia County of said State.

B. The Issuer presently owns and operates, through the Morgantown Utility Board (the "Board"), a public combined waterworks, sewerage, and stormwater system. It is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be acquired from the Canyon Public Service District (the "District") the existing sewer system of the District (collectively, the "District Assets") from the District, which District Assets constitute properties for the collection, transportation, treatment, purification, or disposal of liquid or solid wastes, residential sewage or industrial waste (the existing combined waterworks, sewerage and stormwater system of the Issuer, and any further additions, betterments and improvements thereto are herein called the "System"), pursuant to an Acquisition Agreement by and among the Issuer, the Board and the District, substantially in the form attached hereto as Exhibit A (the "Acquisition Agreement"). The form of the Acquisition Agreement is hereby approved.

C. The District has heretofore financed a portion the acquisition and construction of public sewerage facilities consisting of a new sanitary sewer collection system to provide sewer service to approximately 125 new customers in Monongalia County, by the issuance of its Sewer Revenue Bonds, Series 2008 A, dated June 26, 2008 issued in the original aggregate principal amount of \$5,000,000 (the "District Bonds").

D. The District Bonds were issued pursuant to a Resolution of the District previously adopted for such purpose (such resolution, as amended and supplemented, is herein called the "District Resolution").

E. It is deemed necessary and desirable for the Issuer to provide for the acquisition of the System and the Assumption, Re-designation and Replacement of the District Bonds.

F. The District permanently financed a portion of the District Assets through the issuance of the District Bonds to the West Virginia Water Development Authority (the "Authority"), in connection with the West Virginia Infrastructure Fund (the "West Virginia Infrastructure Fund"), which the Authority administers pursuant to the Act on behalf of the West Virginia Infrastructure and Jobs Development Council.

G. It is deemed necessary for the Issuer to assume the District Bonds and re-Designate and replace them as its Combined Utility System Revenue Bonds, Series 2013 A (West Virginia Infrastructure Fund), in the aggregate principal amount of not more than \$5,000,000 (the "Series 2013 A Bonds"), as consideration for acquisition of the District Assets.

H. The period of usefulness of the System is not less than 35 years.

I. It is in the best interests of the Issuer that the Series 2013 A Bonds continue to be held by the Authority pursuant to the terms and provisions of a Loan Agreement by and between the District and the Authority on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council"), in form satisfactory to the respective parties (the "Loan Agreement"), which Loan Agreement shall be assumed by the Issuer contemporaneously with the acquisition of the District Assets and assumption and replacement of the District Bonds, and which assumption is specifically approved hereby.

The payment of debt service of the Series 2013 A Bonds shall be secured by a first lien on the Gross Revenues derived from the System, on a parity with the lien on the Gross Revenues in favor of the Holders of the Prior Bonds. Such Gross Revenues in an amount sufficient to pay the principal of and interest, if any, on the Series 2013 A Bonds and the Prior Bonds and to make all other payments provided for in the Bond Legislation and Prior Ordinances are hereby irrevocably pledged to such payments as they become due.

Section 5.03. System Revenues; Flow of Funds. A. The entire Gross Revenues derived from the operation of the System and all parts thereof shall be deposited upon receipt by the Issuer in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided in the Prior Ordinances and this Bond Legislation and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner provided in the Prior Ordinances and this Bond Legislation. All moneys at any time on deposit in the Revenue Fund shall be disposed of only in the following manner and order of priority:

(1) The Issuer shall first, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Commission the amounts required by the Prior Ordinances to pay interest on the Series 1995 Bonds, Series 2001 A Bonds, Series 2006 A Bonds, Series 2007 A Bonds, Series 2010 A Bonds, Series 2010 C Bonds, Series 2010 D Bonds, Series 2010 E Bonds, Series 2010 F Bonds, Series 2012 A Bonds and Series 2010 C Bonds.

(2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Commission (i) the amounts required by the Prior Ordinances to pay the principal of the Prior Bonds; and (ii) for deposit in the Series 2013 A Bonds Sinking Fund, an amount equal to 1/3<sup>rd</sup> of the amount of principal which will mature and become due on the Series 2013 A

Bonds on the next ensuing quarterly principal payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2013 A Bonds Sinking Fund and the next quarterly principal payment date is less than 3 months, then such monthly payments shall be increased proportionately to provide, 1 month prior to the next quarterly principal payment date, the required amount of principal coming due on such date.

(3) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Commission (i) the amounts required by the Prior Ordinances to be deposited in the Reserve Accounts for the Prior Bonds; and (ii) for deposit in the Series 2013 A Bonds Reserve Account, an amount equal to 1/120<sup>th</sup> of the Series 2013 A Bonds Reserve Requirement; provided that, no further payments shall be made into the Series 2013 A Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2013 A Bonds Reserve Requirement.

(4) The Issuer shall next, each month, transfer from the Revenue Fund and deposit in the Operation and Maintenance Fund, an amount sufficient to pay the current Operating Expenses of the System.

(5) The Issuer shall next, from the moneys remaining in the Revenue Fund, on the first day of each month transfer to the Depreciation Fund, an amount equal to 2 ½% of the Gross Revenues each month (as previously set forth in the Prior Ordinances and not in addition thereto), exclusive of any payments for account of any Reserve Account. All funds in the Depreciation Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Depreciation Fund for replacements, emergency repairs, improvements or extensions to the System; provided, that any deficiencies in the Reserve Accounts (except to the extent such deficiency exists because the required payments into such accounts have not, as of the date of determination of a deficiency, funded such accounts to the maximum extent required hereof) shall be promptly eliminated with moneys from the Depreciation Fund.

(6) After making all of the foregoing deposits and payments, any excess moneys then remaining in the Revenue Fund ("Surplus Revenues") may be used for any lawful purpose of the System.

Moneys in the Series 2013 A Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest on the Series 2013 A Bonds, as the same shall become due. Moneys in the Series 2013 A Bonds Reserve Account shall be used only for the purpose of paying principal of and interest on the Series 2013 A Bonds, as the same shall come due, when other moneys in the Series 2013 A Bonds Sinking Fund are insufficient therefor, and for no other purpose.

All investment earnings on moneys in the Series 2013 A Bonds Sinking Fund and the Series 2013 A Bonds Reserve Account shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payment due on the Series 2013 A Bonds, and then to the next ensuing principal payment due thereon.

Any withdrawals from the Series 2013 A Bonds Reserve Account which results in a reduction in the balance therein to below the Series 2013 A Bonds Reserve Requirement shall be subsequently restored from the first Gross Revenues available after all required payments have been made in full in the order set forth above.

As and when additional Bonds ranking on a parity with the Series 2013 A Bonds are issued, provision shall be made for additional payments into the respective sinking fund sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective reserve account in an amount equal to the requirement thereof.

The Issuer shall not be required to make any further payments into the Series 2013 A Bonds Sinking Fund or the Series 2013 A Bonds Reserve Account, when the aggregate amount of funds therein are at least equal to the aggregate principal amount of the Series 2013 A Bonds issued pursuant to this Bond Legislation then Outstanding and all interest to accrue until the maturity thereof.

Interest, principal or reserve payments, whether made for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Prior Bonds and the Series 2013 A Bonds, in accordance with the respective principal amounts then Outstanding.

The Commission is hereby designated as the fiscal agent for the administration of the Series 2013 A Bonds Sinking Fund and the Series 2013 A Bonds Reserve Account created hereunder, and all amounts required for said accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. The Issuer shall make the necessary arrangements whereby required payments into said accounts shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

Moneys in the Series 2013 A Bonds Sinking Fund and the Series 2013 A Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 2013 A Bonds Sinking Fund and the Series 2013 A Bonds Reserve Account shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2013 A Bonds under the conditions and restrictions set forth herein.

B. The Issuer shall on the first day of each month (if such day is not a business day, then the next succeeding business day), deposit with the Commission the required interest, principal and reserve payments with respect to the Series 2013 A Bonds and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation.

C. The Issuer shall complete the "Monthly Payment Form," a form of which is attached to the Loan Agreement and submit a copy of said form along with a copy of its payment check to the Authority by the 5<sup>th</sup> day of such calendar month.

D. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinabove provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by the Act, such excess shall be considered as surplus revenues (the "Surplus Revenues"). Surplus Revenues may be used for any lawful purpose of the System.

E. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay their respective charges and fees then due. In the case of payments to the Commission under this paragraph, the Issuer shall, if required by the Authority at anytime, make the necessary arrangements whereby such required payments shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

F. The moneys in excess of the maximum amounts insured by FDIC in any of the funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03, and the revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

H. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

I. The Gross Revenues of the System shall only be used for purposes of the System.

J. All Tap Fees, as received, shall be deposited in the Revenue Fund and may be used for any lawful purpose of the System.

## ARTICLE VI

[RESERVED]

**ARTICLE VII**

**ADDITIONAL COVENANTS OF THE ISSUER**

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2013 A Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 2013 A Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2013 A Bonds or the interest thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2013 A Bonds shall not be nor constitute a corporate indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of the Series 2013 A Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 2013 A Bonds or the interest thereon.

Section 7.03. Bonds Secured by Pledge of Gross Revenues; Lien Position with respect to Prior Bonds. The payment of debt service of the Series 2013 A Bonds shall be secured by a first lien on the Gross Revenues derived from the System, on a parity with the lien on the Gross Revenues in favor of the Holders of the Prior Bonds. Such Gross Revenues in an amount sufficient to pay the principal of and interest on the Series 2013 A Bonds and the Prior Bonds and to make all other payments provided for in this Bond Legislation and the Prior Ordinances are hereby irrevocably pledged to such payments as they become due.

Section 7.04. Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal and the Issuer shall supply an opinion of counsel to such effect. Such rates and charges shall be sufficient to comply with the requirements of the Loan Agreement and the Issuer shall supply a certificate of certified public accountant to such effect. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth in the water rate ordinance of the Issuer enacted June 21, 2011, the sewer rate ordinance of the Issuer enacted November 20, 2012, and the stormwater rate ordinance of the Issuer enacted December 6, 2011, which rates are incorporated herein by reference as a part hereof.

So long as the Series 2013 A Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the Loan Agreement. In the event the schedule of rates, fees and charges initially established for the System in connection with the Series 2013 A Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and

the Loan Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement.

Section 7.05. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of or encumber the System, or any part thereof, except as provided in the Prior Ordinances. Additionally, so long as the Series 2013 A Bonds are outstanding and except as otherwise required by law or with the written consent of the Council and the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding, in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2013 A Bonds, immediately be remitted to the Commission for deposit in the Series 2013 A Bonds Sinking Fund and, with the written permission of the Council and the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest on the Series 2013 A Bonds. Any balance remaining after the payment of the Series 2013 A Bonds and interest thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$50,000, the Board shall, by resolution, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Revenue Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$50,000 but not in excess of \$200,000, the Board shall first, determine, that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public bidding. The proceeds of any such sale shall be deposited in the Depreciation Fund. The payment of such proceeds into the Depreciation Fund shall not reduce the amount required to be paid into such account by other provisions of this Bond Legislation.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$200,000 and insufficient to pay all Bonds then Outstanding, without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Moneys received upon any such sale under this paragraph, after deduction of all costs of such sale, shall be deposited in the Revenue Fund.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided for in Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2013 A Bonds and the Prior Bonds. All obligations issued by the Issuer after the assumption and re-designation of the Series 2013 A Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Series 2013 A Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts established by this Bond Legislation have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2013 A Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Series 2013 A Bonds and the interest thereon in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and the Council prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants for the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the assumption and re-designation of the Series 2013 A Bonds pursuant to this Bond Legislation, without the prior written consent of the Authority and the Council and without complying with the conditions and requirements herein provided (unless less restrictive than the provisions of the Prior Ordinances).

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2013 A Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of design, acquisition or construction of extensions, additions, improvements or betterments to the System or refunding any outstanding Bonds, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the City Clerk a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues expected to be received in each of the 3

succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Bond Legislation then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the City Clerk prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12 consecutive month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the issuance of such Parity Bonds. For purposes of this test, the terms "Gross Revenues" and "Net Revenues" shall not include proceeds from the sale of capital assets.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. All Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Gross Revenues of the System, and their source of and security for payment from the Gross Revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior lien of the Series 2013 A Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2013 A Bonds.

No Parity Bonds shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation and the Prior Ordinances, shall have been made in full as required to the date of delivery of the Parity Bonds, and the Issuer then be in full compliance with all the covenants, agreements and terms of this Bond Legislation and the Prior Ordinances.

Section 7.08. Books; Records and Audit. The Board shall permit the Authority and the Council, or their agents and representatives, to inspect all books, documents, papers and records relating to the System at all reasonable times for the purpose of audit and examination. The Board shall submit to the Authority and the Council such documents and information as they may reasonably require in connection with the operation and maintenance of the System.

The Board shall permit the Authority and the Council, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times.

The Board will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Board. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Board. The Board shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Board shall be reported to such agent of the Issuer as the Board shall direct.

The Board shall file with the Authority and the Council, or any other original purchaser of the Series 2013 A Bonds, and shall mail in each year to any Holder or Holders of the Series 2013 A Bonds, requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation and the status of all said funds and accounts.

(C) The amount of any Bonds, notes or other obligations payable from the revenues of the System outstanding.

The Board shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountant (and to the extent legally

required, in compliance with the applicable OMB Circular, or any successor thereof, and the Single Audit Act, or any successor thereof), and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountant, or a summary thereof, to any Holder or Holders of the Series 2013 A Bonds and shall submit said report to the Authority and the Council, or any other original purchaser of the Series 2013 A Bonds. Such audit report submitted to the Authority and the Council shall include a statement that notes whether the results of tests disclosed instances of noncompliance that are required to be reported under government auditing standards and, if there are, describes the instances of noncompliance and the audited financial statements shall include a statement that notes whether the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

The Board shall provide the Authority and the Council, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority and the Council with respect to the System pursuant to the Act.

Section 7.09. Rates. Prior to the assumption and re-designation of the Series 2013 A Bonds, equitable rates or charges for the use of and service rendered by the System shall be established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the City Clerk, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Series 2013 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2013 A Bonds, including the Prior Bonds; provided that, in the event that amounts equal to or in excess of the reserve requirements are on deposit in the Series 2013 A Bonds Reserve Account and any reserve accounts for obligations on a parity with the Series 2013 A Bonds are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2013 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2013 A Bonds, including the Prior Bonds. In any event, the Issuer shall not reduce the rates or charges for services set forth in the rate ordinances described in Section 7.04.

The Issuer hereby covenants to commence enactment of such ordinance or ordinances as shall be required to increase the rates and charges for the services and facilities of the System within 30 days following a determination of the Independent Certified Public Accountant that less than the above-required coverage exists or in the event that the annual audit report shows less than the above-required coverage, such increase to provide rates and charges sufficient to produce such required coverage.

Section 7.10. Operating Budget and Monthly Financial Report. The Board shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Authority and the Council within 30 days of adoption thereof.

Section 7.11. Engineering Services and Operating Personnel. The Issuer shall employ qualified operating personnel properly certified by the State to operate the System during the entire term of the Loan Agreement.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Board will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and payable, the user of the services and facilities shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the stormwater portion of the System and any services and facilities of the waterworks portion of the System, to all users of the services of the stormwater system delinquent in payment of charges for the services of the stormwater system and will not restore such services of either the waterworks system or the stormwater system until all delinquent charges for the services of the stormwater system, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law. If the waterworks facilities are not owned by the Issuer, the Issuer shall use diligent efforts to enter into a termination agreement with the provider of such water services, subject to any required approval of such agreements by the Public Service Commission of West Virginia.

Section 7.14. No Free Services. The Board will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer or the Board, or any department, agency, instrumentality, officer or employee of either shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer,

the Board and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance A. The Board hereby covenants and agrees that so long as the Series 2013 A Bonds remain Outstanding, the Board will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Board will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Depreciation Fund and used only for the repairs and restoration of the damaged or destroyed properties or for the other purposes provided herein for the Depreciation Fund.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, the operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.
