RE: City Council Committee of the Whole Agenda – 26 JUL 2014
RZ14-05 / Administrative / Morgan Drive and Forest Drive Annexation

During its 14 AUG 2014 hearing, the Planning Commission voted unanimously to forward a recommendation to City Council to APPROVE the above referenced Zoning Map Amendment petition concerning realty annexed under City Council Ordinance No. 14-18.

Attached herewith are the related ordinance and the Staff Report presented to the Planning Commission, which provides background, Staff analysis, and recommendations.

The following dates will keep to standard Planning and Zoning Code Map Amendment protocol:

- City Council Committee of the Whole TUE, 26 AUG 2014
- City Council First Reading TUE, 02 SEP 2014
- City Council Public Hearing and Second Reading TUE, 07 OCT 2014

Please include this item on the City Council meeting agendas noted above and include this communication and attachments in the 26 AUG Committee of the Whole meeting packet. Only the ordinance itself should be necessary to include in the packets for the First and Second Reading meetings.

Thank you.

STAFF REPORT

CASE NO: RZ14-05 / Administrative / Morgan Drive and Forest Drive Annexation

REQUEST and LOCATION:

Administratively requested Zoning Map Amendment to classify approximately 13.4 acres of real estate that was annexed into the City of Morgantown by Order of the Monongalia County Commission dated July 16, 2014.

Properties included in the subject annexation can be found on Morgan District Tax Map 3B, Parcels 8, 10, 11, 12, 19, 20, 20.1, 21, 22, 23, 24, 25, 26, 27, 27.1, 28, 29, 30, 31, 32, 32.1, 33, 34, 35, 36, 37, 38, 39, 40, 40.1, 41, 42, 43, 44, 45, 46, 47, 48, 49, 49.1, 50, 51, 51.1, 51.2, and part of Parcel 92 that is surrounded by Parcel 25. The area of the subject annexation is described and illustrated in greater detail in the exhibits to Ordinance No. 14-18, which is attached hereto along with the related Order by the Monongalia County Commission.

BACKGROUND and ANALYSIS:

On 15 JUL 2014, City Council enacted Ordinance No. 14-18 providing for the annexation of 13.40 acres, more or less, of additional territory into the City of Morgantown. On 16 JUL 2014, the Monongalia County Commission ordered the approval and confirmation of said annexation. Addendum A of this report illustrates the subject annexation area.

West Virginia State Code 8A-7-1(c) provides that, "A zoning ordinance shall cover a municipality's entire jurisdiction."

The City's Planning and Zoning Code provides the following requirements for designating zoning classification(s) of annexed areas:

1331.04 ANNEXATION

- (A) Zoning annexed areas. Prior to the filing of a petition for annexation, the petitioner should petition the Planning Commission for a recommendation as to said parcel's zoning designation. If no such petition is presented to the Planning Commission, the Commission may:
 - (1) Direct planning staff to study the area proposed for annexation and prepare a report and recommendation for zoning, or
 - (2) Initiate the establishment of the R-1, Single-Family Residential District designation for the area proposed for annexation, which shall remain in place until such time as a formal rezoning petition can be submitted and acted upon.
- (B) Comprehensive Plan as zoning guide. On future annexation, the Planning Commission shall give careful consideration to the principles and directives of the Comprehensive Plan of the City, as amended, in making zone district classification recommendations to the Council. If the area under consideration is not addressed in the Comprehensive Plan, the Commission should give careful consideration to the character of existing land uses, and the capacity of existing and future infrastructure serving the area.

Comprehensive Plan Concurrence

Addendum B of this Report provides Staff's analysis of the 2013 Comprehensive Plan Update concerning the designation of a zoning classification for the subject annexation area.

As provided in Addendum B, the subject annexation area is:

- Located within the Conceptual Urban Growth Boundary as illustrated in Appendix A of the 2013 Comprehensive Plan.
- Identified as a "Neighborhood 3" type pattern and character area that generally contains the lowest residential densities; is mostly homogenous – being almost exclusively single-family residential; has a suburban character with limited access points, large lot sizes, curvilinear streets and long blocks; occurs at the edge of the City; and, contains a street pattern that is strongly influenced by topography.
- Identified as a "Neighborhood Conservation" general concept area where the preservation of existing neighborhood character and continued maintenance of buildings and infrastructure is desired.

Article 1333.01 of the Planning and Zoning Code provides that the purpose of the R-1 Single-Family Residential District is to:

- (A) Provide for attractive single-family neighborhoods for residents who prefer larger lot sizes and do not generally desire to live in close proximity to other types of uses, and
- (B) Preserve the desirable character of existing single-family neighborhoods, and
- (C) Protect the single-family residential areas from change and intrusion that may cause deterioration, and provide for adequate light, ventilation, quiet, and privacy for neighborhood residents.

As illustrated in Addendum A of this Report, the zoning classification for the neighborhood area adjoining the subject annexation is R-1, Single-Family Residential District. It appears that the subject annexation area is harmonious with the low density residential development pattern and character that exists along Anderson Avenue, Dogwood Avenue, Schubert Place, etc.

STAFF RECOMMENDATION:

Staff advises the Planning Commission to submit a recommendation to City Council that the zoning classification for the area annexed into the City of Morgantown by Ordinance No. 14-18 be designated R-1, Single-Family Residential District and that the official zoning map of the City of Morgantown be amended accordingly.

Neighborhood 3. Neighborhood 3 generally has the lowest residential densities in the study area. These neighborhoods are mostly homogenous – being almost exclusively single-family residential with isolated small multi-family residential, commercial or civic uses. These areas are mostly connected to the city street network and to other neighborhood areas but otherwise have a suburban character with limited access points (in some cases only one), large lot sizes, curvilinear streets and long blocks. These neighborhoods occur primarily at the edges of the city, and their street pattern is strongly influenced by topography.

Neighborhood 4. Neighborhood 4 is the most suburban with single-type residential developments that are disconnected from the fabric of adjacent areas. Residential density varies but each development typically has one type of housing product such as large-scale apartment complexes, semi-detached condos, mobile home parks and single-family developments where the homes are similar in size and amenities. These homogenous pods of development are primarily located at the city's edge and in unincorporated areas such as the County's West Run Planning District.

Subject : City Council - August COW Agenda - Zoning Item No. 2 1 attachment**To :** Jeff Mikorski <jmikorski@cityofmorgantown.org>, Linda Little <llittle@cityofmorgantown.org>**Cc :** Stacy Hollar <shollar@cityofmorgantown.org>, Devon Milam <dmilam@cityofmorgantown.org>

On behalf of the Planning Commission, I have attached a memorandum concerning a Zoning Map amendment recommendation relating to the recent annexation that needs to be included on City Council's August Committee of the Whole agenda. The attached document contains several color images, mapping, etc. Please include the color version in the COW meeting packet as a black-and-white scan will not be discernible.

This is the second zoning-related agenda item for the August Committee of the Whole agenda. I sent ya'll the first item via email on 15 AUG 2014.

Thank you.
