There being no appearances, Mayor Selin declared the public hearing closed.

PUBLIC HEARING – AN ORDINANCE BY THE CITY OF MORGANTOWN AMENDING SECTION 905.02 OF ITS STREETS, UTILITIES AND PUBLIC SERVICES CODE BY ADDING A NEW SUBSECTION (d) THERETO ADDRESSING THE SALE OF MERCHANDISE UPON SIDEWALKS OF THE CITY.

Joseph Byrd, owner of a hot dog stand on High Street, states that he has been selling hot dogs in an area designated to him for the past eight years. He reported going to the police with the downtown behavior problems of students which affected his business. He feels that placing all the vendors in the same area undercuts free enterprise and hurts business. States that he is part of the solution and is not causing the problems downtown and that it is not fair to make him move his business.

Joe Stone, owner of Hot Dog Man stand. He stated he has been in business since 1988. He agreed with Mr. Byrd that it is not fair for the vendors to operate next to one another. He indicated that operating in the street or a parking space will be a safety hazard. He is not averse to renting a spot, as long as the price is reasonable. Grouping the vendors will cause a large crowd of drunken students.

Ray Glymph, owner of the Morgantown Taco Truck as well as a brick & mortar business. He addressed suggestions made by the Main Street president for vendor regulations and asked if they will be enforced for brick & mortar owners as well. He agreed with other speakers that grouping vendors cuts their competitive edge. He shared research from other cities about how vendors are regulated. He stated that the proposed Ordinances only benefit brick & mortar businesses. He presented pictures to Council of

foot traffic downtown and also stated that there are only three downtown food vendors and these three people cannot possibly be the cause of downtown congestion and problems.

Chris Grand, 430 Brockway Avenue, suggested that the raised curbs around trees on downtown sidewalks narrow the walk way and cause obstructions that trip people. He suggested that the problem of sidewalk congestion is structural and not to do with the vendors.

Bobbi McCollum, co-owner of the Taco Truck spoke of all the good that food vendors do and dispelled the complaints of the brick and mortar owners. She does not believe that three vendors are not the cause of the downtown congestion, violence and problems. She reported vendors always sweep trash, even trash that is not theirs. They abide by all health inspections and laws. She stated that only one Council member has gone downtown to see what actually occurs.

Colin Wood, WVU law student, represented students who stand by the vendors. He stated that the proposed Ordinances are an injustice to the vendors and will only serve to take their livelihoods. He urged Council not to pass the Ordinances.

Tyler George, 88 Marion Street, business owner in Morgantown, recalled many vendors over the years. He feels that the vendors provide an invaluable service in calming bar patrons on the streets by providing them food, which helps ease situations involving drunk persons.

George Papandreas, President of Main Street Morgantown, addressed comments made about his suggestions to Council with regard to the vendor situation. He stated that he intended to organize a food truck rally. He clarified that Main Street was asked to provide research about vendor situations in other cities, and that no recommendations were made. He stated that he is in favor of the proposed Ordinances as they reflect the best practices of other cities across the nation. He is pro-vendor and appreciates their presence on the streets downtown. He noted that problems can occur when a vendor sets up shop directly in front of an open brick & mortar business, and that can cause congestion.

Mike Shuman, 260 High Street, business owner, agreed that when vendors set up directly in front of a bar's exit, it does cause congestion which leads to fights. It is also a fire hazard. He reported several different types and numbers of vendors frequenting downtown over the years.

Joe Horvatt, 376 High Street, downtown business owner, suggested that the three main vendors could be grandfathered into their locations, especially if they are not setting up directly in front of another business or causing any of the problems being discussed.

There being no other appearances, Mayor Selin declared the public hearing closed.

PUBLIC HEARING – AN ORDINANCE BY THE CITY OF MORGANTOWN AMENDING SECTION 361.09 OF ITS TRAFFIC CODE, AS THE SAME APPLIES TO PUBLIC PARKING SPACES AND THE SAME OF MERCHANDISE IN THE DOWNTOWN BUSINESS DISTRICT OF THE CITY.

Matthew Held, Kingwood Street, a citizen who offered his view on the downtown issue, stating the Ordinance was over-reaching and that brick & mortar businesses do not compare to food truck vendors.

Mr. Byrd spoke again, as above, stating that he would not oppose being grandfathered and assured that he does not locate in an area of congestion or near the entrance of businesses. He is not against businesses and will help them, and anyone he can.

Mr. Stone, spoke again as above, stating he will comply with safety and fire hazard regulations as he has done in the past. He stated he is concerned for the safety involved with operating his vendor stand from a parking space.

Mr. Kramer, student residing on East St. John Street, offered the differences between brick & mortar and vendor businesses. He stated the food carts are a better offer for student to save money on the cost of a meal. He feels the Ordinances will not fix the problem.

There being no other appearances, Mayor Selin declared the public hearing closed.

PUBLIC HEARING – AN ORDINANCE AUTHORIZING THE EXECUTION OF AN INTERGOVERNMENTAL AGREEMENT BY AND BETWEEN THE CITY AND THE STATE OF WEST VIRGINIA DEPARTMENT OF ENVIRONMENTAL PROTECTION (DEP) WHEREBY DEP MAY ENTER UPON MUNICIPAL AIRPORT REALTY TO DETERMINE THE POSSIBLE EXISTENCE OF ADVERSE COAL MINING PRACTICES, AND TO ALSO DETERMINE THE FEASIBILITY OF CONTROL OF ANY SUCH ADVERSE COAL MINING PRACTICES.

Subject: Morgantown Municipal Airport
Terminal Improvements – Roof Replacement
Letter of Recommendation for Contract Award

Dear Mr. Clow:

Baker has reviewed the bid documents for the Terminal Improvements – Roof Replacement that were received August 6, 2013. Three bids were received: one from N.F. Mansuetto and Sons, Inc., one from G&W Roofing and Construction Inc., and one from Kalkreuth Roofing and Sheet Metal, Inc. G&W Roofing and Construction Inc. was originally the low bidder with a base bid of \$680,000. However, the company sent correspondence August 7, 2013 requesting to withdraw their bid due to a clerical error in the bid (letter is attached). The next lowest bidder was Kalkreuth Roofing and Sheet Metal, Inc. with a bid amount of \$1,000,100.

The available budget for the project was \$1,445,139. The bid for the construction and the engineering fee fell well within the available budget. This allowed the City to negotiate with Kalkreuth to include a scope and construction cost for additional HVAC modifications to provide air conditioning to the lower level of the north end of the terminal building. The negotiated cost from Kalkreuth is \$196,061.

Baker recommends a contract be awarded to Kalkreuth Roofing and Sheet Metal, Inc. for the Base Bid in the amount of \$1,000,100 and the additional HVAC work for an amount of \$196,061 for a total contract amount of \$1,196,161. A copy of the bid tabulation, Kalkreuth's original bid, and Kalkreuth's cost for the additional HVAC work is attached for your information.

All moneys at any time on deposit in the Revenue Fund shall be disposed of only in the following manner and order of priority:

- (1) The Issuer shall first, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Commission the amounts required by the Prior Ordinances to pay interest on the Series 1995 Bonds, Series 2001 A Bonds, Series 2006 A Bonds, Series 2007 A Bonds, Series 2010 A Bonds, Series 2010 C Bonds, Series 2010 D Bonds, Series 2010 E Bonds, Series 2010 F Bonds, Series 2012 A Bonds and Series 2010 C Bonds.
- (2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Commission (i) the amounts required by the Prior Ordinances to pay the principal of the Prior Bonds; and (ii) to the Commission commencing 4 months prior to the first date of payment of

principal of the Series 2014 A Bonds, for deposit in the Series 2014 A Bonds Sinking Fund, an amount equal to 1/3rd of the amount of principal which will mature and become due on the Series 2014 A Bonds on the next ensuing quarterly principal payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2014 A Bonds Sinking Fund and the next quarterly principal payment date is less than 3 months, then such monthly payments shall be increased proportionately to provide, 1 month prior to the next quarterly principal payment date, the required amount of principal coming due on such date.

(3) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Commission (i) for deposit in the respective Reserve Accounts for the Prior Bonds, the amounts required by the Prior Ordinances; (ii) commencing 4 months prior to the first date of payment of principal of the Series 2014 A Bonds, if not fully funded upon issuance of the Series 2014 A Bonds or otherwise provided for pursuant to a surety bond, for deposit in the Series 2014 A Bonds Reserve Account, an amount equal to 1/120th of the Series 2014 A Bonds Reserve Requirement; provided, that no further payments shall be made into the Series 2014 A Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2014 A Bonds Reserve Requirement.

(4) The Issuer shall next, each month, transfer from the Revenue Fund and deposit in the Operation and Maintenance Fund, an amount sufficient to pay the current Operating Expenses of the System.

(5) The Issuer shall next, from the moneys remaining in the Revenue Fund, on the first day of each month transfer to the Depreciation Fund, an amount equal to 2 1/2% of the Gross Revenues each month (as previously set forth in the Prior Ordinances and not in addition thereto), exclusive of any payments for account of any Reserve Account. All funds in the Depreciation Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Depreciation Fund for replacements, emergency repairs, improvements or extensions to the System; provided, that any deficiencies in the Reserve Accounts (except to the extent such deficiency exists because the required payments into such accounts have not, as of the date of determination of a deficiency, funded such accounts to the maximum extent required hereof) shall be promptly eliminated with moneys from the Depreciation Fund.

(6) After making all of the foregoing deposits and payments, any excess moneys then remaining in the Revenue Fund ("Surplus Revenues") may be used for any lawful purpose of the System.

Moneys in the Series 2014 A Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest, if any, on the Series 2014 A Bonds, as the same shall become due. Moneys in the Series 2014 A Bonds Reserve Account shall be used only for the purpose of paying principal of and interest, if any, on the Series 2014 A Bonds, as the same shall come due, when other moneys in the Series 2014 A Bonds Sinking Fund are insufficient therefor, and for no other purpose.

All investment earnings on moneys in the Series 2014 A Bonds Sinking Fund and the Series 2014 A Bonds Reserve Account shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall, during construction of the Project, be deposited in the Series 2014 A Bonds Construction Trust Fund, and following completion of construction of the Project, shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payment, if any, due on the Series 2014 A Bonds, and then to the next ensuing principal payment due thereon.

Any withdrawals from the Series 2014 A Bonds Reserve Account which results in a reduction in the balance therein to below the Series 2014 A Bonds Reserve Requirement shall be subsequently restored from the first Gross Revenues available after all required payments have been made in full in the order set forth above.

As and when additional Bonds ranking on a parity with the Series 2014 A Bonds are issued, provision shall be made for additional payments into the respective sinking fund sufficient to pay the interest, if any, on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective reserve account in an amount equal to the requirement thereof.

The Issuer shall not be required to make any further payments into the Series 2014 A Bonds Sinking Fund or the Series 2014 A Bonds Reserve Account, when the aggregate amount of funds therein are at least equal to the aggregate principal amount of the Series 2014 A Bonds issued pursuant to this Bond Legislation then Outstanding and all interest to accrue until the maturity thereof.

Interest, principal or reserve payments, whether made for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Prior Bonds and the Series 2014 A Bonds, in accordance with the respective principal amounts then Outstanding.

The Commission is hereby designated as the fiscal agent for the administration of the Series 2014 A Bonds Sinking Fund and Series 2014 A Bonds Reserve Account created hereunder, and all amounts required for said accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. The Issuer shall make the necessary arrangements whereby required payments into said accounts shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

Moneys in the Series 2014 A Bonds Sinking Fund and the Series 2014 A Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 2014 A Bonds Sinking Fund and the Series 2014 A Bonds Reserve Account shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2014 A Bonds under the conditions and restrictions set forth herein.

B. The Issuer shall on the first day of each month (if such day is not a business day, then the next succeeding business day), deposit with the Commission the required interest, if any,, principal and reserve payments with respect to the Series 2014 A Bonds and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation. The Issuer

shall, on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission, the SRF Administrative Fee as set forth in the Schedule Y attached to the Bond Purchase Agreement.

C. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinabove provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by the Act, such excess shall be considered as surplus revenues (the "Surplus Revenues"). Surplus Revenues may be used for any lawful purpose of the System.

D. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay their respective charges and fees then due. F. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03, and the revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

G. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

H. The Gross Revenues of the System shall only be used for purposes of the System.

I. All Tap Fees, as received, shall be deposited in the Revenue Fund and may be used for any lawful purpose of the System.

Section 5.04. Reserve Account Letter of Credit or Surety Bond. The Issuer hereby authorizes the purchase of a reserve account letter of credit, a surety bond, or other credit facility satisfactory to the Authority, all as set forth in a Supplemental Resolution, and the execution and delivery of any applicable reimbursement agreement or note in such forms as shall be described in a Supplemental Resolution.

ARTICLE VI

A. From the proceeds of the Series 2014 A Bonds, there shall first be deposited with the Commission in the Series 2014 A Bonds Sinking Fund, the amount, if any, set forth in the Supplemental Resolution as capitalized interest.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2014 A Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 2014 A Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2014 A Bonds or the interest, if any, thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2014 A Bonds shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of the Series 2014 A Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 2014 A Bonds or the interest, if any, thereon.

Section 7.03. Bonds Secured by Pledge of Gross Revenues; Lien Position with respect to Prior Bonds. The payment of debt service of the Series 2014 A Bonds shall be secured by a first lien on the Gross Revenues derived from the System, on a parity with the lien on the Gross Revenues in favor of the Holders of the Prior Bonds. Such Gross Revenues in an amount sufficient to pay the principal of and interest, if any, on the Series 2014 A Bonds and the Prior Bonds and to make all other payments provided for in the Bond Legislation are hereby irrevocably pledged to such payments as they become due.

Section 7.04. Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal and the Issuer shall supply an opinion of counsel to such effect. Such rates and charges shall be sufficient to comply with the requirements of the Bond Purchase Agreement and the Issuer shall supply a certificate of certified public accountant to such effect. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth in the water rate ordinance of the Issuer enacted June 21, 2011, the sewer rate ordinance of the Issuer enacted November 20, 2012, and the stormwater rate ordinance of the Issuer enacted December 6, 2011, which rates are incorporated herein by reference as a part hereof.

So long as the Series 2014 A Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the Bond Purchase Agreement. In the event the schedule of rates, fees and charges initially established for the System in connection with the Series 2014 A Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the Bond Purchase Agreement, the Issuer hereby covenants and agrees that

it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the Bond Purchase Agreement.

Section 7.05. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of or encumber the System, or any part thereof, except as provided in the Prior Ordinances. Additionally, so long as the Series 2014 A Bonds are outstanding and except as otherwise required by law or with the written consent of the DEP and the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding, in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2014 A Bonds, immediately be remitted to the Commission for deposit in the Series 2014 A Bonds Sinking Fund, and, with the written permission of the DEP and the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest, if any, on the Series 2014 A Bonds. Any balance remaining after the payment of the Series 2014 A Bonds and interest, if any, thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Board shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$50,000, the Board shall, by resolution, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Revenue Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$50,000 but not in excess of \$200,000, the Board shall first, determine, that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public bidding. The proceeds of any such sale shall be deposited in the Depreciation Fund. The payment of such proceeds into the Depreciation Fund shall not reduce the amount required to be paid into such account by other provisions of this Bond Legislation.

No sale, lease or other disposition of the properties of the System shall be made by the Board if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$200,000 and insufficient to pay all Bonds then Outstanding, without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided for in Section 7.06 and Section 7.07

hereof, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2014 A Bonds and the Prior Bonds. All obligations issued by the Issuer after the issuance of the Series 2014 A Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Series 2014 A Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts established by this Bond Legislation have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2014 A Bonds, and the interest, if any, thereon, upon any of the income and revenues of the System pledged for payment of the Series 2014 A Bonds and the interest, if any, thereon in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and the DEP prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants for the Project, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2014 A Bonds pursuant to this Bond Legislation, without the prior written consent of the Authority and the DEP and without complying with the conditions and requirements herein provided (unless less restrictive than the provisions of the Prior Ordinances).

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2014 A Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of design, acquisition or construction of extensions, additions, improvements or betterments to the System or refunding any outstanding Bonds, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the City Clerk a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

- (1) The Bonds then Outstanding;

- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Bond Legislation then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The “estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years,” as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the City Clerk prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12 consecutive month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to issuance of such Parity Bonds. For purposes of this test, the terms “Gross Revenues” and “Net Revenues” shall not include proceeds from the sale of capital assets.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. All Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Gross Revenues of the System, and their source of and security for payment from the Gross Revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior lien of the Series 2014 A Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2014 A Bonds.

No Parity Bonds shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation and the Prior Ordinances, shall have been made in full as required to the date of delivery of the Parity Bonds, and the Issuer then be in full compliance with all the covenants, agreements and terms of this Bond Legislation and the Prior Ordinances.

Section 7.08. Books; Records and Audit. The Board shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Board shall permit the Authority and the DEP, or their agents and

representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Board shall submit to the Authority and the DEP such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Board shall permit the Authority and the DEP, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.
