City Manager's Report for City Council November 5, 2013

New Business:

1. **Requesting Monongalia County Commission to develop Runway Protected Zone as a part of a County Planning District.**

As you know, a majority of the areas surround the Morgantown Municipal Airport are not located inside the corporate limits of Morgantown. In order to protect the Morgantown Municipal Airport and runway from encroachment of development into the airport's Runway Protection Zone, I will be sending a letter to the Monongalia County Commission requesting the establish of a Runway Protection Zoning District or Zoning Overlay. Zoning of areas that are in the flight path of aircraft arriving or departing from the airport, would prevent unauthorized land uses and development inside the FAA required Runway Protection Zones. I request Council to move to support the authorization of the letter to the County Commission for this matter.

Information:

1. **Employee Satisfaction Survey**

I have provided the City of Morgantown employees with an Employee Satisfaction Survey, which was identified in my six month goals. Employees will have a month to fill out the survey, either electronically or by paper, to provide feedback to City Administration. I hope to take the information received in the surveys and identify issues and solutions that can improve the employees work environment in the coming year.

Morgantown City Manager

B. The Issuer presently owns and operates, through the Morgantown Utility Board (the "Board"), a public combined waterworks, sewerage, and stormwater system. It is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer, that there be acquired and constructed certain extensions, additions, betterments and improvements to the wastewater portion of the existing public combined waterworks, sewerage, and stormwater system of the Issuer, consisting of installation of gravity sewer main, manholes, lift station and forcemain and all necessary appurtenances to provide sewer service to Sunshine Estates (collectively, the "Project") (the existing public combined waterworks, sewerage, and stormwater system of the Issuer, the Project and any further extensions, additions, betterments and improvements thereto are herein called the "System"), in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. The Issuer intends to permanently finance a portion of such costs of acquisition and construction of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the "Authority"), in connection with the West Virginia Water Pollution Control Revolving Fund Program (the "SRF Program"), which the Authority administers pursuant to the Act.

D. It is deemed necessary for the Issuer to issue its Combined Utility System Revenue Bonds, Series 2014 A (West Virginia SRF Program), in the aggregate principal amount of not more than \$1,250,000 (the "Series 2014 A Bonds"), to permanently finance a portion of the costs of acquisition and construction of the Project. Such rates and charges shall be sufficient to comply with the requirements of the Bond Purchase Agreement and the Issuer shall supply a certificate of certified public accountant to such effect. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth in the water rate ordinance of the Issuer enacted June 21, 2011, the sewer rate ordinance of the Issuer enacted November 20, 2012, and the stormwater rate ordinance of the Issuer enacted December 6, 2011, which rates are incorporated herein by reference as a part hereof.

So long as the Series 2014 A Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the Bond Purchase Agreement. In the event the schedule of rates, fees and charges initially established for the System in connection with the Series 2014 A Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the Bond Purchase Agreement, the Issuer hereby covenants and agrees that

it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the Bond Purchase Agreement.

Section 7.05. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of or encumber the System, or any part thereof, except as provided in the Prior Ordinances. Additionally, so long as the Series 2014 A Bonds are outstanding and except as otherwise required by law or with the written consent of the DEP and the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding, in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2014 A Bonds, immediately be remitted to the Commission for deposit in the Series 2014 A Bonds Sinking Fund, and, with the written permission of the DEP and the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest, if any, on the Series 2014 A Bonds. Any balance remaining after the payment of the Series 2014 A Bonds and interest, if any, thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Board shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$50,000, the Board shall, by resolution, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Revenue Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$50,000 but not in excess of \$200,000, the Board shall first, determine, that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public bidding. The proceeds of any such sale shall be deposited in the Depreciation Fund. The payment of such proceeds into the Depreciation Fund shall not reduce the amount required to be paid into such account by other provisions of this Bond Legislation.

No sale, lease or other disposition of the properties of the System shall be made by the Board if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$200,000 and insufficient to pay all Bonds then Outstanding, without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided for in Section 7.06 and Section 7.07

hereof, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2014 A Bonds and the Prior Bonds. All obligations issued by the Issuer after the issuance of the Series 2014 A Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Series 2014 A Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts established by this Bond Legislation have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2014 A Bonds, and the interest, if any, thereon, upon any of the income and revenues of the System pledged for payment of the Series 2014 A Bonds and the interest, if any, thereon in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and the DEP prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants for the Project, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2014 A Bonds pursuant to this Bond Legislation, without the prior written consent of the Authority and the DEP and without complying with the conditions and requirements herein provided (unless less restrictive than the provisions of the Prior Ordinances).

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2014 A Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of design, acquisition or construction of extensions, additions, improvements or betterments to the System or refunding any outstanding Bonds, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the City Clerk a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

- (1) The Bonds then Outstanding;

- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Bond Legislation then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The “estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years,” as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the City Clerk prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12 consecutive month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to issuance of such Parity Bonds. For purposes of this test, the terms “Gross Revenues” and “Net Revenues” shall not include proceeds from the sale of capital assets.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. All Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Gross Revenues of the System, and their source of and security for payment from the Gross Revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior lien of the Series 2014 A Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2014 A Bonds.

No Parity Bonds shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation and the Prior Ordinances, shall have been made in full as required to the date of delivery of the Parity Bonds, and the Issuer then be in full compliance with all the covenants, agreements and terms of this Bond Legislation and the Prior Ordinances.

Section 7.08. Books; Records and Audit. The Board shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Board shall permit the Authority and the DEP, or their agents and

representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Board shall submit to the Authority and the DEP such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Board shall permit the Authority and the DEP, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Board will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Board. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Board. The Board shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Board shall be reported to such agent of the Issuer as the Board shall direct.

The Board shall file with the Authority and the DEP, or any other original purchaser of the Series 2014 A Bonds, and shall mail in each year to any Holder or Holders of the Series 2014 A Bonds, requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation and the status of all said funds and accounts.

(C) The amount of any Bonds, notes or other obligations payable from the revenues of the System outstanding.

The Board shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountant (and to the extent legally required, in compliance with the applicable OMB Circular, or any successor thereof, and the Single Audit Act, or any successor thereof), and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountant, or a summary thereof, to any Holder or Holders of the Series 2014 A Bonds and shall submit said report to the Authority and the DEP, or any other original purchaser of the Series 2014 A Bonds. Such audit report submitted to the Authority and the DEP shall include a statement that notes whether the results of tests disclosed instances of noncompliance that are required to be reported under government

auditing standards and, if there are, describes the instances of noncompliance and the audited financial statements shall include a statement that notes whether the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the Bond Purchase Agreement and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall provide the DEP with all appropriate documentation to comply with any special conditions established by federal and/or state regulations as set forth in Exhibit E of the Bond Purchase Agreement or as promulgated from time to time.

The Board shall permit the Authority and the DEP, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction and commencement of operation of the Project, the Board shall also provide the Authority and the DEP, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority and the DEP with respect to the System pursuant to the Act.

Section 7.09. Rates. Prior to the issuance of the Series 2014 A Bonds, equitable rates or charges for the use of and service rendered by the System shall be established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the City Clerk, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2014 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2014 A Bonds, including the Prior Bonds; provided, that in the event that amounts equal to or in excess of the reserve requirements are on deposit in the Series 2014 A Bonds Reserve Account, and any reserve accounts for obligations on a parity with the Series 2014 A Bonds are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2014 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2014 A Bonds, including the Prior Bonds. In any event, the Issuer shall not reduce the rates or charges for services set forth in the rate ordinances described in Section 7.04.

Section 7.10. Operating Budget and Monthly Financial Report. The Board shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by

resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Authority and the DEP within 30 days of adoption thereof.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for 2 years following the completion of the Project, the Board shall each month complete a "Monthly Financial Report," a form of which is attached to the Bond Purchase Agreement, and forward a copy of such report to the Authority and the DEP by the 20th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Board shall obtain a certificate of the Consulting Engineers in the form attached to the Bond Purchase Agreement, stating, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the Authority and the DEP, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and the DEP is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Board shall provide and maintain competent and adequate engineering services satisfactory to the Authority and the DEP covering the supervision and inspection of the development and construction of the Project and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such engineer shall certify to the Authority and the DEP and the Issuer at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The Issuer shall require the Consulting Engineers to submit Record Drawings, as defined in the SRF Regulations, to it within 60 days of the completion of the Project. The Issuer shall notify the DEP in writing of such receipt. The Issuer shall submit a "Performance Certificate," a form of which is attached to the Bond Purchase Agreement as Exhibit A, to the DEP within 60 days of the end of the first year after the Project is completed.

The Issuer shall require the Consulting Engineers to submit the final Operation and Maintenance Manual, as defined in the SRF Regulations, to the DEP when the Project is 90% completed. The Issuer shall at all times provide operation and maintenance of the System in compliance with all state and federal standards.

The Issuer shall employ qualified operating personnel properly certified by the State before the Project is 50% complete and shall retain such a certified operator to operate the System during the entire term of the Bond Purchase Agreement. The Issuer shall notify the DEP in writing of the certified operator employed at the 50% completion stage.

The Issuer shall serve the additional customers at the location(s) as set forth in Certificate of Engineer. The Issuer shall not reduce the amount of additional customers served by the project without the prior written approval of the Board of the Water Development Authority. Following completion of the Project the Issuer shall certify to the Authority the number of customers added to the System.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Board will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and payable, the user of the services and facilities shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the stormwater portion of the System and any services and facilities of the waterworks portion of the System, to all users of the services of the stormwater system delinquent in payment of charges for the services of the stormwater system and will not restore such services of either the waterworks system or the stormwater system until all delinquent charges for the services of the stormwater system, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law. If the waterworks facilities are not owned by the Issuer, the Issuer shall use diligent efforts to enter into a termination agreement with the provider of such water services, subject to any required approval of such agreements by the Public Service Commission of West Virginia.

Section 7.14. No Free Services. The Board will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer or the Board, or any department, agency, instrumentality, officer or employee of either shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer, the Board and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds. A. The Board hereby covenants and agrees that so long as the Series 2014 A Bonds remain Outstanding, the Board will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

- (1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to

the actual cost thereof. In time of war the Board will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Depreciation Fund and used only for the repairs and restoration of the damaged or destroyed properties or for the other purposes provided herein for the Depreciation Fund. The Board will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interests of the Issuer, the Board, the Authority, the prime contractor and all subcontractors as their respective interests may appear, in accordance with the Bond Purchase Agreement, during construction of the Project on a 100% basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Issuer, the Board, the contractors and subcontractors, as their interests may appear.

(6) BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

B. The Board shall require all contractors engaged in the construction of the Project to furnish a performance bond and a payment bond, each in an amount equal to 100% of the contract price of the portion of the Project covered by the particular contract as security for

the faithful performance of such contract. The Board shall verify such bonds prior to commencement of construction.

The Board shall also require all contractors engaged in the construction of the Project to carry such workers' compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project; provided that the amounts and terms of such coverage are satisfactory to the Authority and the DEP. The Board shall verify such insurance prior to commencement of construction. In the event the Bond Purchase Agreement so requires, such insurance shall be made payable to the order of the Authority, the Issuer, the Board, the prime contractor and all subcontractors, as their interests may appear.

Section 7.16. Mandatory Use. The mandatory use of the stormwater facilities of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer. Accordingly, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, every owner, tenant or occupant of any real property located near the stormwater portion of the System, and where stormwater from real property affects or drains into the stormwater portion of the System, shall be deemed to be a user served by the stormwater portion of the System and it is declared that the mandatory use of the stormwater portion of the System by such real property owner is necessary and essential for the health and welfare of the inhabitants and residents of the Issuer and the State. To the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, every such owner, tenant or occupant shall, after a 30-day notice of the availability of the stormwater portion of the System, pay the rates and charges established therefor.

Section 7.17. Completion of Project; Permits and Orders. The Board shall complete the Project as promptly as possible and operate and maintain the System as a revenue-producing utility in good condition and in compliance with all federal and state requirements and standards.

The Board has obtained all permits required by state and federal laws for the acquisition and construction of the Project, all orders and approvals from the Council and the DEP necessary for the acquisition and construction of the Project and the operation of the System and all approvals for issuance of the Series 2014 A Bonds required by state law, with all requisite appeal periods having expired without successful appeal and the Issuer shall supply an opinion of counsel to such effect.

ARTICLE VIII

INVESTMENT OF FUNDS

Section 8.01. Investments. Any monies held as a part of the funds and accounts created by this Bond Legislation, other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such monies for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund

or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission, the Depository Bank, or such other bank or national banking association, as the case may be, shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank or such other bank or national banking association, as the case may be, may make any and all investments permitted by this section through its own investment or trust department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year, or more often as reasonably requested by the Issuer, a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Series 2014 A Bonds are Outstanding and as long thereafter as necessary to assure the exclusion of interest, if any, on the Series 2014 A Bonds from gross income for federal income tax purposes.

Section 8.02. Covenants as to Use of Proceeds. The Issuer covenants (i) to comply with the Code and all Regulations from time to time in effect and applicable to the Series 2014 A Bonds as may be necessary in order to maintain the status of the Series 2014 A Bonds as governmental bonds; (ii) that it shall not take, or permit or suffer to be taken, any action with respect to the Issuer's use of the proceeds of the Series 2014 A Bonds which would cause any bonds, the interest on which is exempt from federal income taxation under Section 103(a) of the Code, issued by the Authority or the Council, as the case may be, from which the proceeds of the Series 2014 A Bonds are derived, to lose their status as tax-exempt bonds; and (iii) to take such action, or refrain from taking such action, as shall be deemed necessary by the Issuer, or requested by the Authority or the Council, to ensure compliance with the covenants and agreements set forth in this Section, regardless of whether such actions may be contrary to any of the provisions of this Ordinance.

The Issuer shall annually furnish to the Authority, information with respect to the Issuer's use of the proceeds of the Series 2014 A Bonds and any additional information requested by the Authority.

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2014 A Bonds:

(1) If default occurs in the due and punctual payment of the principal of or interest, if any, on any Series 2014 A Bonds; or

(2) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part relating to the Series 2014 A Bonds set forth in this Bond Legislation, any supplemental resolution or in the Series 2014 A Bonds, and such default shall

have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Commission, the Depository Bank, the Registrar, the Paying Agent or any other Paying Agent or a Holder of a Bond; or

(3) If the Issuer or Board files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(4) If default occurs with respect to the Prior Bonds or the Prior Ordinances.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds; (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners; provided however, that all rights and remedies of the Holders of the Series 2014 A Bonds shall be on a parity with those of the Holders of the Prior Bonds.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, the completion of the Project and after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default,

any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the Project and the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

ARTICLE X

PAYMENT OF BONDS

interest thereon, or in the principal amount thereof, or affecting the unconditional promise of the Issuer to pay such principal and interest out of the funds herein pledged therefor without the consent of the Registered Owner thereof. Upon refusal or neglect of the Lessor to comply with the Lessee's request for the repair or reinstatement of previously-existing conditions, the

Lessee may, ten (10) days after receipt of such request by the Lessor, cause the repairs to be made and deduct the costs and expense thereof from the rents which may become due and payable thereafter to the Lessor until the Lessee is fully reimbursed for such expenditures. Provided however, any such repairs related to life and safety issues, including without limitation, broken windows, hot water heater, smoke detectors, carbon monoxide detectors shall be repaired immediately, or the Lessee may (i) cause the repairs to be made and deduct the costs and expense thereof from the rents which may become due and payable thereafter to the Lessor until the Lessee or Tenant is fully reimbursed for such expenditures; or (ii) immediately terminate this Lease.

If only a part of the Premises shall be rendered untenable, leaving the remainder suitable for occupancy, the rental shall be proportionately abated until the Premises have been repaired. The Lessor shall have five (5) days from receipt of such notice to decide whether or not to repair the Premises. Any repairs undertaken must be completed within a reasonable length of time after the Lessor's decision. Should the Lessor decide not to repair the Premises, this Lease shall terminate, and the Lessee and Tenant shall deliver possession of the Premises to the Lessor and thereupon be relieved of any and all liability hereunder or concerning the Premises except for any unpaid rent through the final day of occupancy.

11. INSURANCE

In addition, the Lessor shall keep the Premises, building and Common Areas insured against fire, windstorm, and other casualty, under an all risk policy of insurance, written in standard form, in the full replacement value thereof. The Lessor agrees to supply and deliver, upon request of the Lessee, a Certificate of Insurance evidencing the required liability insurance coverage.

The Lessee agrees to supply and deliver, upon request to the Lessor, a Certificate of Insurance evidencing the required liability insurance coverage.

12. SUITABILITY OF PREMISES

The Lessor warrants the Premises to be suitable for use as a WVU facility and for the conduct of Tenant's business, and that there shall be no liability on the part of the State of West Virginia, WVU, its officers, agents or employees for any loss or damage to the Premises, nor any liability on any individual by virtue of any of the provisions of this Lease, whether caused by overloading the floors with equipment or otherwise installing fixtures and equipment commonly used in an office facility. Further, the Lessor warrants that the Premise compliant according to all local, state, and federal code requirements and all zoning ordinances.

- a. Fire and Health Hazards. The Lessor will remove and correct any fire or health hazards not caused by the neglect or acts of the Tenant, its agents, employees or servants which any authorized public authority may order corrected or removed during the term of this lease. Upon refusal or neglect of the Lessor to comply with any such order, the Tenant may comply therewith and deduct the costs from monthly rentals payable thereafter to the Lessor until the Tenant is fully reimbursed therefore.
- b. Environmental. The Lessor represents and warrants to the Lessee and Tenant that there are no hazardous or unsafe substances in, on or under the Premises, building or Common Areas or the underlying real property, and agrees to indemnify, defend and hold harmless the Lessee and Tenant, its affiliates, and their respective officers, agents and employees, against any and all claims, damages, costs, liabilities and expenses, including attorneys' fees, resulting from a breach of the Lessor's representations and warranties or from the presence of any hazardous or unsafe substances in, on or under the Premises, building, Common Areas or the underlying real property, as of the Start Date.

13. PREPARATION OF PREMISES

- a. Lessor's Work. Prior to the Start Date, the Lessor, at its sole cost, shall cause the improvements stated below to be performed in full ("Lessor's Work"). The preparation of the Premises shall be considered substantially complete only upon the acceptance of the Premises in writing by the Lessee, in the Lessee's sole discretion. In the event that the Lessor's Work is not substantially complete as set forth in this Section within five (5) of the Start Date, the accrual of rents shall likewise be delayed by one day for each day of delay of completion after the Start Date. In addition, if the Lessor fails to complete the Lessor's Work thirty (30) days after the

Start Date, the Lessee shall be entitled to immediately terminate this Lease upon written notice to the Lessor, if so desired.

Lessor's Work to be completed pursuant to this Section, if any:

(i) Ensure all previous users furniture, trash, and debris is removed and the facility is turned over in broom clean condition.

(ii) Lessor to provide labeled keys to all exterior and interior doors.

(v) Tenant shall provide design and desired location for any exterior signage and present to Lessor for permission to create and place at Tenant's expense; such approval shall not be unreasonably withheld.

c. Future Alterations. In the event structural or other changes to the Premises are desired during the term, the Lessee shall first deem the request compliant with W. Va. Code §18B-19-12 (f), being necessary for the proper, efficient, and economically sound operation of the Tenant's program, and will consult with the Lessor for permission and decision of work performance by the Lessors resources or for permission to have the

work performed by the Lessee or Tenant's resources. If the alteration is to be completed by the Lessor at his cost and expense, the Lessee and/or Tenant shall reimburse the Lessor in lump sum or reappraise and renegotiate the Lease to amortize such expenses.

14. NEGLIGENCE OF PREMISES

The Lessee covenants that it shall not commit waste on the Premises herein leased, and the Premises will be returned to the Lessor at the termination of this Lease in substantially as good condition as at the commencement thereof, damages from reasonable wear and tear, natural elements, normal depreciation and decay excepted.

15. TRANSFER OR ASSIGNMENT OF LEASE

The Lessee shall have the right to assign, reassign, or transfer this Lease contingent upon the prior written approval of the Lessor.

16. SUBORDINATION AND NONDISTURBANCE

- a. Subordination and Nondisturbance. The Lessor shall have the right to place upon the building and underlying real property any mortgages which the Lessor or its lender(s) deem advisable. Such mortgages shall have priority over this Lease and the Lessee's and Tenant's rights hereunder. At the Lessor's request, the Lessee shall execute any and all instruments, the form of which must conform to the State of West Virginia's Constitution and laws, necessary to subordinate this Lease to any such mortgages, provided that each such mortgagee executes a non-disturbance agreement which provides that so long as the Lessee or Tenant is not in default of this Lease, Lessee's and Tenant's right to possession of the Premises and other rights under this Lease, including, without limitation, any options to renew, rights of first refusal, and right to terminate, shall not be affected or disturbed by the mortgagee in the exercise of any of its rights or remedies against the Lessor, nor shall the Lessee or Tenant be named as a party defendant to any foreclosure of the lien or mortgage. Furthermore, the Lessee shall, within thirty (30) days after receipt of a request therefore, execute and deliver to the Lessor an estoppel certificate setting forth the name of both the Lessee and Tenant, the date of this Lease, a description of the Premises and the Rent payable therefore, certifying that this Lease is in full force and effect, and certifying that the Lessor is not in default of this Lease or specifically enumerating any outstanding events of default by the Lessor.
- b. Attornment. In the event that the Lessor's mortgagee or any other person acquires title to the Premises pursuant to the exercise of any remedy provided for in its mortgage, the Lessee agrees to attorn to such transferee as its new Lessor via an agreement in conformance with the

State of West Virginia's Constitution and laws, and this Lease shall continue in full force and effect as a direct lease between the Lessee and such transferee, upon all of the terms and conditions contained herein.

17. DEFAULT

In the event any party defaults in any of the covenants contained herein, the requesting party shall notify the other, in writing, of such default and if such default is not corrected within fifteen (15) days after receipt of notification, unless a shorter correction period is required elsewhere in this Lease, the requesting party may notify the other party that the Lease is terminated, without further obligation, and reenter/vacate the Premises herein leased.

18. TAXES AND ASSESSMENTS

The Lessor will pay taxes and assessments levied on the Premises during the term of this lease.

19. TOBACCO FREE FACILITY

The Lessor agrees to assist the Lessee and Tenant in maintaining the Premises as a tobacco free environment in accordance with the policy of the Lessee. WVU has implemented a tobacco free policy to provide a smoke-free and tobacco-free environment for the University community. Smoking or use of any tobacco or other similar products is prohibited in all buildings, facilities, and lands of WVU and applies to all locations including each branch campus, each off-campus location, and to the leased Premises under the tenancy of WVU. The Premises shall be tobacco free, but if the entire facility containing the Premises is not capable of same, the Lessor agrees to assist the Lessee and Tenant in minimally designating one tobacco free entrance/exit, if at all possible.

20. PARKING

The Lessor agrees to provide, at no additional cost to the Lessee, free employee and visitor parking spaces immediately adjacent to the Premises.

21. PROVISIONS FOR IMMEDIATE TERMINATION

In addition to the other events set forth herein which permit the immediate termination of this Lease, pursuant to provisions of W.Va. Code §18B-19-12 (e) (1), the Lessee shall have the right to cancel this lease, without further obligation on the part of the Lessee, upon giving thirty (30) days' written notice to the Lessor, such notice being given at least thirty (30) days prior to the last day of the succeeding month,

It is further agreed by and between the parties hereto that this Lease shall be considered canceled, pursuant to provisions of W.Va. Code §18B-19-12 (e) (2), without further obligation on the part of the Lessee, if, as determined by the Lessee, Lessee's

granting source, Tenant's granting source, West Virginia State Legislature, or the Federal Government should subsequently fail to appropriate sufficient funds therefor, or should otherwise act to impair this lease or cause it to be canceled, or in the event it shall become unlawful for the Premises to be used. In any event aforementioned, the Lessee may immediately redeliver possession of the Premises to the Lessor and thereupon be relieved from any and all obligations hereunder or concerning the Premises except for rent accruing prior to such date of redelivery.

22. MISCELLANEOUS

- b. **Holding Over.** The Tenant shall have the right to hold over for up to three (3) months after the expiration of the Term upon the same terms and conditions, including Rent, as were applicable during the just expired Term. If the Tenant shall continue in possession of the Premises beyond said three (3) month holdover period, such continued possession shall be considered an extension of this Lease from month to month until terminated by either party as of the end of any calendar month on not less than thirty (30) days prior written notice, and during such month to month tenancy, all terms and conditions of this Lease shall remain in full force and effect.
- c. **Vacating Responsibilities.** The Tenant has the right to remove all owned fixtures, furniture, and equipment and shall leave the facility free of all trash and debris, in broom clean condition, with all keys labeled and provided to the Lessor. - d. Quiet Enjoyment. The Lessor covenants that at the Start Date of this Lease, the Lessor was seized of said Premises as the sole owner(s) thereof, in fee simple, free of all liens, encumbrances and any outstanding interests whatsoever and that upon payment of the rentals as herein set forth, the Lessor will warrant and defend the title of the Lessee against any and all claims whatsoever, not arising hereunder, during the term of this Lease; that the Lessee and Tenant shall, at all times during the term of this Lease, peaceably and quietly have, hold, and enjoy the Premises.
- e. Cooperative Service. The Tenant pledges to work with the Lessor in arranging and conducting community programs relative to the Tenant's field of study; the Tenant shall work cooperatively to ensure such offerings are at minimal cost to the participant as community service.
- f. Force Majeure. If either party shall be delayed in the performance of any act required hereunder by reason of strikes, lockouts, inability to procure labor or materials, riots, insurrections, wars, catastrophic events or other reasons beyond the reasonable control of such party, then performance of such act shall be extended for a period equivalent to the period of such delay.
- g. Authority. The Lessor hereby represents and warrants that it owns the building and underlying real property in fee simple. Each party represents and warrants that it is fully authorized to execute this Lease without obtaining the consent of any third party.
- h. Binding Effect. All the terms and conditions of this Lease shall be binding upon and inure to the benefit of legal representatives, successors, and assigns of the parties.
- i. Modification. This Lease shall not be amended or modified in any respect except by a writing which is duly executed by all parties.
- j. Construction. The language used in this Lease was mutually negotiated by the parties and shall not be construed for or against either party. The headings in this Lease are for convenience only and are not to be construed as a part of this Lease or in any way defining, limiting, modifying or amplifying the provisions hereof. Time is of the essence of this Lease and of every term, covenant, and condition hereof.
- k. Severability. If any provision of this Lease is rendered void or invalid by the decision of any court or by the enactment of any Law, such provision will be deemed to have never been included herein and the remainder of the Lease shall continue in full force and effect.

- i. Entire Agreement. This Lease constitutes the entire understanding between the parties. Any representation, obligation, term or condition not contained herein is not binding on the parties.
- m. Multiple Counterparts. This Lease may be executed in multiple counterparts, each of which shall constitute an original and which taken together, shall constitute one and the same Lease.

IN WITNESS WHEREOF, the parties hereto have caused their names to be affixed to this contract of lease.

PROVIDED HOWEVER, this Lease may be canceled by the Lessee as hereinafter provided in Sections 8, 10 and 21, before the end of the term. This Lease shall be considered renewed for each succeeding City fiscal year during the Term of the Lease unless this Lease is canceled by the Lessee before the end of the then current fiscal year pursuant to Section 21 hereunder.

4. RENT

The Lessee covenants that the Lessee shall pay rent unto the Lessor, as rent for the Premises herein leased and all Common Areas, the sum of One Thousand dollars (\$1,000.00) per month, payable in arrears, upon receipt of invoice from the Lessor to the Lessee.. 5. FIRST RIGHT OF REFUSAL FOR ADDITIONAL SPACE – NONE

6. RENEWAL OPTION

After the initial Term, the Lease will automatically renew from year to year, for the months of July through June; provided, however, that either party may, at its option, cancel an upcoming renewal period by giving written notice unto the other 120 days prior to any June 30th of their desire for the expiration. Rent for subsequent renewal years shall increase by percentage of difference in the Consumer Price Index, as published by the Bureau of Labor Statistics of the U.S. Department of Labor, based on US City Average, All Items, with comparison of the term start date to the month of April

of the expiring year. The new rental rate shall be officiated by correspondence and, unless there other changes to the Lease, shall not require an addendum to officiate.

7. UTILITIES AND OTHER RELATED SERVICES

- a. The Lessor shall furnish and timely pay when due and payable, at no additional cost to the Lessee, the following utilities and/or services:
 - (i) Utilities which are not separately metered, to be paid by the Lessor, who shall seek a fifty percent (50%) reimbursement as Additional Rent from the Lessee by separate invoice, providing evidence of payment made.
 - (ii) Custodial services in the common areas used by other tenants.
 - (iii) Ground maintenance, including mowing, landscaping, and parking lot maintenance.
 - (iv) Snow removal, to be paid by the Lessor, who shall seek a fifty percent (50%) reimbursement as Additional Rent from the Lessee by separate invoice, providing evidence of payment made.
- b. The Lessee, at its expense, shall furnish and provide payment to the applicable company or vendor for the following utilities and/or services:
 - (i) Custodial Services in the Premises.
 - (ii) Trash services, for which the Lessee may choose to partner with the neighboring tenants.
 - (iii) Telephone and internet connectivity services.
 - (iv) The Lessee shall have the right to rekey, install a key card access system, or any other security system for the Premises, using such security services provider as the Lessee and Tenant may choose in its sole discretion. The Lessee at its sole discretion, can elect to remove said system at any time, provided that Lessee, at its sole expense, shall repair any damage resulting from such removal.
 - (v) Lessee agrees to schedule the use of the Community Room to Woodburn Neighborhood Association or other community groups that want to utilize their Community Room, unless Lessee is using the room for Boys and Girls Club business at that time/date or is unable to unlock the room at the time/date requested.

- c. Interruption. In the event that any utilities or services being provided by the Lessor are interrupted for reasons within the Lessor's control and as a result, suitability of the Premises is interrupted, the Lessee shall have the option to (i) cause the utilities or services to be reinstated and deduct the costs and expense thereof from the rents which may become due and payable thereafter to the Lessor until the Lessee is fully reimbursed for such expenditures; or (ii) immediately terminate this Lease.

8. MAINTENANCE

The Lessor binds itself to maintain the Premises, including the structure of the Premises, both interior and exterior; the electrical, HVAC and plumbing fixtures and equipment; and the interior and exterior painting and flooring in a good and tenantable condition equal to that of the Premises as at the time possession thereof is delivered to the Lessee; included in the aforementioned obligation is the duty to replace HVAC filters and light bulbs on a regular schedule or upon request by the Lessee.

If the Lessor fails to maintain the interior and exterior structure of the Premises, and the electrical, HVAC and plumbing fixtures and equipment owned by the Lessor in a good and tenantable condition of repair, the Lessee shall request the Lessor, in writing, to correct any deficiency which may have occurred since possession of the Premises by the Lessee, provided, however, such deficiency was not caused by the neglect or acts of the Lessee. Upon refusal or neglect of the Lessor to comply with the Lessee's request for the repair or reinstatement of previously-existing conditions, the Lessee may, ten (10) days after receipt of such request by the Lessor, cause the repairs to be made and deduct the costs and expense thereof from the rents which may become due and payable thereafter to the Lessor until the Lessee is fully reimbursed for such expenditures. Provided however, any such repairs related to life and safety issues, including without limitation, broken windows, hot water heater, smoke detectors, carbon monoxide detectors shall be repaired immediately, or the Lessee may (i) cause the repairs to be made and deduct the costs and expense thereof from the rents which may become due and payable thereafter to the Lessor until the Lessee is fully reimbursed for such expenditures; or (ii) immediately terminate this Lease.

Notwithstanding the foregoing, the Lessor is not responsible for maintenance of such fixtures and equipment as may be owned by the Lessee.

9. DAMAGE TO PREMISES BY FIRE, ETC.

It is agreed by and between the parties hereto that in the event the Premises are destroyed or damaged by fire, natural elements, or other cause to such an extent that continued occupancy by the Lessee would be impractical, the Lessee shall give immediate notice thereof to the Lessor, in writing, and this lease shall terminate. If only a part of the Premises shall be rendered untenable, leaving the remainder suitable for occupancy, the rental shall be proportionately abated until the Premises have been

repaired. The Lessor shall have five (5) days from receipt of such notice to decide whether or not to repair the Premises. Any repairs undertaken must be completed within a reasonable length of time after the Lessor's decision. Should the Lessor decide not to repair the Premises, this Lease shall terminate, and the Lessee shall deliver possession of the Premises to the Lessor and thereupon be relieved of any and all liability hereunder or concerning the Premises except for any unpaid rent through the final day of occupancy.

10. INDEMNIFICATION AND INSURANCE

Section 10.1 Lessee shall protect, defend, indemnify, and hold the Lessor and its representatives and employees completely harmless from and against any and all liabilities, demands, suits, claims, losses, fines, or judgments arising by reason of the injury or death of any person or damage to or loss of any property, including all reasonable costs for investigation and defense thereof, (including, but not limited to, attorney fees, court costs, and expert fees), of any nature whatsoever arising out of, or incidental to this Lease Agreement or Lessee's use or occupancy of the leased premises, or the acts or omissions of the Lessee, its officers, employees, agents, representatives, contractors, sub-contractors, licensees or invitees, regardless of where the injury, death, loss, or damage may occur unless such injury, death, loss, or damage is caused by the negligence of the Lessor, its employees, agents, officers, or representatives. The Lessor shall give Lessee reasonable notice of any such claims or actions. The provisions of this Article shall survive the expiration or earlier termination of this Lease Agreement.

Section 10.2 Without limiting its liability as aforesaid, the Lessee shall carry insurance in the following minimum amounts during the term hereof, naming the Lessor as con-insured:

<u>Public Liability</u>	Bodily Injury	\$500,000 per occurrence
	Property Damage.....	\$50,000 per occurrence

Section 10.3 Lessee shall provide the Lessor with certification of insurance through the term of this Agreement, evidencing such coverage to be in force.

Section 10.4 The Lessor agrees to notify the Lessee in writing, as soon as practicable, of any claims, demands, or action arising out of an occurrence covered hereunder of which the Lessor has knowledge, and to cooperate with the Lessee in the investigation and defense thereof.

11. SUITABILITY OF PREMISES

The Lessor warrants the Premises to be suitable for use for the conduct of Lessee's business., and that there shall be no liability on the part of Mountaineer Boys and Girls club, its officers, agents or employees for any loss or damage to the Premises, nor any liability on any individual by virtue of any of the provisions of this Lease,

whether caused by overloading the floors with equipment or otherwise installing fixtures and equipment commonly used in an office facility. Further, the Lessor warrants that the Premise compliant according to all local, state, and federal code requirements and all zoning ordinances.

- a. Fire and Health Hazards. The Lessor will remove and correct any fire or health hazards not caused by the neglect or acts of the Lessee, its agents, employees or servants which any authorized public authority may order corrected or removed during the term of this lease. Upon refusal or neglect of the Lessor to comply with any such order, the Lessee may comply therewith and deduct the costs from monthly rentals payable thereafter to the Lessor until the Tenant is fully reimbursed therefore.
- b. Environmental. The Lessor represents and warrants to the Lessee that there are no hazardous or unsafe substances in, on or under the Premises, building or Common Areas or the underlying real property, and agrees to indemnify, defend and hold harmless the Lessee, its affiliates, and their respective officers, agents and employees, against any and all claims, damages, costs, liabilities and expenses, including attorneys' fees, resulting from a breach of the Lessor's representations and warranties or from the presence of any hazardous or unsafe substances in, on or under the Premises, building, Common Areas or the underlying real property, as of the Start Date.

12. NEGLECT OF PREMISES

The Lessee covenants that it shall not commit waste on the Premises herein leased, and the Premises will be returned to the Lessor at the termination of this Lease in substantially as good condition as at the commencement thereof, damages from reasonable wear and tear, natural elements, normal depreciation and decay excepted.

13. TRANSFER OR ASSIGNMENT OF LEASE

14. DEFAULT

In the event any party defaults in any of the covenants contained herein, the requesting party shall notify the other, in writing, of such default and if such default is not corrected within fifteen (15) days after receipt of notification, unless a shorter correction period is required elsewhere in this Lease, the requesting party may notify the other party that the Lease is terminated, without further obligation, and reenter/vacate the Premises herein leased.
