3. Funding Request for Arts Alive Festival

After explanation from Mr. Moore, about the history of in-kind assistance previously granted to this organization, he suggested that Council make a determination on how they wish to proceed, and he will follow up with recommendations for the future.

REPORT FROM CITY CLERK: Gave an explanation of the updated City Code Supplement pages and informed citizens where they can go to view codes and get more information. She also encouraged all citizens to vote in tomorrow's General Election.

REPORT FROM CITY ATTORNEY: Absent.

REPORT FROM COUNCIL MEMBERS:

Councilor Bane:

Councilor Bane thanked Mr. Sabatelli for the information and clarification on the budget adjustments. He also thanked the manager for his commitment to fixing the rails to trails. Councilor Bane commented on Vote by Mail, saying people should always have the right to vote in the traditional manner, but he would be in favor of a hybrid program if it were to be developed. He encouraged citizens to vote in the General Election.

Councilor Nugent: Councilor Nugent thanked public works crews, first responders and MUB for their work during superstorm Sandy. He announced the upcoming meeting of the Wiles Hill-Highland Park neighborhood association meeting.

Councilor Selin: Councilor Selin thanked Mr. Moore and Mr. Sabatelli for their efforts to refinance bonds and save the City money. She commended Boards and Commissions volunteers and asked that their small budgets remain intact where possible to keep these vital groups going. She encouraged all to vote, and to involve their children in the process as well. She also thanked Mr. Spencer for his advocacy towards Vote by Mail and voting accessibility.

Councilor Shamberger: Councilor Shamberger she thanked the City for the trimming of trees before the storm and felt it was a good preventative measure. She also announced the upcoming Veteran's Day parade. She noted she was disappointed in the outcome of the Vote by Mail issue.

Councilor Byrne: Councilor Byrne mentioned the clearing of excess brush and waste in his area which mitigated storm damage. He also commended Mr. Spencer and his efforts and input in the community. He expressed that the City may be moving backwards in repealing the Vote by Mail program.

Councilor Herbst: Councilor Herbst responded to Mr. Spencer that the agenda order was changed to move the public portion closer to council reports in order to allow a more prompt response to the speakers. She also thanked all who worked to solve and prevent problems during the storm. She commented that the repealing of Vote by Mail is not taking away the rights of those who cannot physically get to polls, as other means (absentee/mail-in voting) have always been in place to accommodate voters. She reminded pedestrians to wear bright and reflective clothing as they walk in the evenings, as it is getting darker earlier.

Councilor Selin interjected that she would like to have Council reconsider the changed agenda order and placement of the public portion, as one speaker left before they got the chance to speak on an issue. She suggested that it be reconsidered at an upcoming Committee of the Whole.

Mayor Manilla: Mayor Manilla thanked City workers and administration for their diligence during the storm. He reported a burnt out light on the South Park bridge. He commented that the flags atop the tall building on High Street are tattered and need to be replaced.

Councilor Selin recalled the agreement with the Planning Commission that the Stealth Company maintain the flags. Mayor Manilla reported that they should be replaced as soon as possible.

He reminded the public that when Vote by Mail was enacted by the previous Council it was not a unanimous decision. He appreciated everyone's views and added that he feels the repeal is a step towards restoring how voting should be, not a step backwards. He also commented that Sunnyside Up has many applicants for its director position. He announced that the first meeting in January falls on New Year's Day and suggested it be moved to Wednesday, January 2nd. There were no objections to this suggestion. He reminded that the Veteran's Parade starts at 6pm on November 9th. Finally, Mayor Manilla announced upcoming charity events including a Ronald McDonald House dinner, free rides on the Mountain Line transit authority buses on Election Day, and the Postal Workers Food Drive.

ADJOURNMENT: There being no further items of business or discussion, the meeting adjourned by unanimous consent at 8:46 p.m.

Airport Advisory Committee
November 13, 2012
Minutes

The meeting was called to order at approximately 8:35 a.m. by Airport Director Michael Clow.

In attendance were Terrence Moore, Jim Manilla, Barry Pallay, Ken Busz, John Campbell, Don Reinke, Dave Plevich, Ron Justice, Kelly Cunningham, Bobby King, Mickey Bowman, Mick Galusky, Jackie Marhefka and Michael Clow.

Mr. Clow introduced Mickey Bowman of Silver Airways Corp., who presented an overview of the airline and its growth along with a brief marketing video on the company. Mr. Bowman asked the committee for input on improving Silver's service, which began in August, and a discussion followed. When asked if there were plans to expand service at MGW, Mr. Bowman said the current load factor was around 40 percent, so ridership would need to increase to a respectable level before flights could be added. Committee members agreed the area had the passenger base for greater capacity on daily flights. Mr. Clow said he planned to do some marketing to promote the service and increase the load factor. Mr. Bowman said next year, flights possibly could be adjusted to capitalize on area activities that present opportunities for greater passenger loads. Ron Justice said in a recent meeting with WVU representatives in Clarksburg, it was announced North Central WV Airport would meet its 10,000 threshold due to a boost in enplanements from the Big 12 charter flights. Mr. Justice said factors considered in selecting an airport included cost, fueling and hospitality.

In the Director's Report, Mr. Clow said financially the Airport was doing well. However, this calendar year's annual enplanements were down by 10 percent due to the Colgan/Pinnacle Airlines bankruptcy and Mr. Clow said MGW would not meet the minimum 10,000 threshold required for \$1 million annual entitlement funds. Even with Silver's increasing passenger counts and additional enplanements reported by general aviation corporate users, he said the airport would fall short of the threshold by an estimated 1,000 passengers. (Clarification: After the meeting, Mr. Clow reviewed the Airport's options with Mr. Moore and staff at the American Association of Airport Executives. There are three possibilities. First, Congress has in the past included language in the AIP Authorization that allows Airports that temporarily fall below the 10,000 threshold to continue to receive the \$1 Million minimum entitlement as long as they return to 10,000 enplanements in a reasonable time frame. Second, the Airport was already planning projects for 2014 that exceed \$1 Million and are very competitive for AIP Discretionary grant funds. And third, loss of grant funds would require deferring or delaying, not cancelling, future projects.) Mr. Clow said the WVNG facility construction was progressing with 85-90 percent of the building's exterior completed. Interior work would be performed during winter months, with substantial completion expected in late spring/early summer and planned project completion in Fall 2013. He said the Business Park project also was moving forward.

Regarding the planned runway extension, Mr. Clow said the Airport's Master Plan update by Michael Baker Jr. Inc. was nearly complete. He said the draft document was available for review on the Airport website. Mr. Clow said he believed an extension to 6,600 feet was the best option. He said the FAA must approve the Airport Layout Plan in the Master Plan before work on the environmental study could begin. Mr. Clow said it would take approximately three years to do the environmental study and design completion, and then construction could begin. His cost estimates were \$75-80 million for the total project, or \$45-50 million for construction alone. Mr. Clow said 6,600 feet of runway length would

enable aircraft that currently used the Airport to takeoff with a full load of fuel and fly farther distances. Discussion followed.

Mr. Clow also mentioned improvement projects, such as taxiway crack seal and taxiway markings work, as well as business development, stating he and the City Manager recently had met with people interested in locating businesses at the Airport. He said this would result in increased airfield operations and fuel sales.

City Manager Terrence Moore offered brief comments, stating Senators Roman Prezioso and Bob Beach had expressed interest in serving on the Airport Committee. He also told Mr. Bowman if Silver Airways Corp. did its part to serve the community, the city would do its part.

John Campbell asked what members could do to help the Airport, and Mr. Moore said the input initiated at the group's meetings was helpful and had helped the committee to be productive and gain momentum.

Next meeting was set for 8:30 a.m. Tuesday, February 12, 2013.

Meeting was adjourned at approximately 9:45 a.m.

RE: Health Plan Renewal Rates - Effective 1/1/2013

The following summarizes the proposed rate changes in the City of Morgantown's Health Plan effective January 1, 2013:

| | <u>2012</u> | <u>2013</u> | <u>% Change</u> |
|--------------------------------|----------------|----------------|-----------------|
| <u>Fixed Costs:</u> | | | |
| Reinsurance Premiums | \$ 517,654 | \$ 565,564 | 9.3% |
| Administrative Fees | <u>139,601</u> | <u>142,973</u> | 2.4% |
| | \$ 657,255 | \$ 708,537 | 7.8% |
| <u>Projected Claims (125%)</u> | | | |
| Medical Claims | \$2,574,272 | \$2,601,795 | 1.1% |
| Prescription Claims | 895,670 | 773,328 | -13.7% |
| Dental | <u>201,051</u> | <u>157,186</u> | -21.8% |
| Projected Claims | \$3,670,993 | \$3,532,309 | - 3.8% |
| Total Costs to be Funded | \$4,328,248 | \$4,240,846 | - 2.0% |

The City budgeted for rates to remain consistent in health plan contributions as of January 1, 2013. Consequently, the rates that could be implemented January 1, 2013 would cause an approximate 2.0% decrease from the amount originally budgeted for the fiscal year. This would result in total savings to the General Fund of approximately \$34,000. This change does not include contributions required to be made to the City's Health Reimbursement Accounts for employees. As health care costs continue to rise, it should be noted that the standard increase in costs is typically 8%; however, due to previous changes to the City's plan, these increases have been minimized. The contribution rates will remain the same and any savings is intended to be used for additional reserves or used toward other post-employment benefit liabilities.

In accordance with the policy adopted by Council on June 1, 2010, it is also proposed that employee and retiree contribution rates remain the same as well, effective January 1, 2013, except those retiree rates affected by the change to the Humana Medicare Advantage Plan which are reflected accordingly. I have attached schedules of the rates to be continued for each benefit group.

Section 3.05. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Refunding Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may execute, in its discretion, and the Registrar shall authenticate, register and deliver any new Bond of like series, maturity and principal amount as the Bond, so mutilated, destroyed,

stolen or lost, in exchange and upon surrender and cancellation of, such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder's furnishing the Issuer and the Registrar proof of his ownership thereof and that said Bond has been destroyed, stolen or lost and satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer or the Registrar may prescribe and paying such expenses as the Issuer or the Registrar may incur. The name of the Bondholder listed in the Bond Register shall constitute proof of ownership. All Refunding Bonds so surrendered shall be submitted to and canceled by the Registrar, and evidence of such cancellation shall be given to the Issuer. If such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer, by and through the Registrar, may pay the same, upon being indemnified as aforesaid, and, if such Bond be lost, stolen or destroyed, without surrender therefor.

Any such duplicate Bonds issued pursuant to this section shall constitute original, additional contractual obligations on the part of the Issuer, whether or not the lost, stolen or destroyed Bonds be at any time found by any one, and such duplicate Bonds shall be entitled to equal and proportionate benefits and rights as to lien and source of and security for payment from the Revenues pledged herein with all other Bonds issued hereunder.

Section 3.06. Term Bonds. In the event Term Bonds are issued as part of the Refunding Bonds pursuant to this Ordinance, the following provisions shall apply:

1. The amounts to be deposited, apportioned and set apart by the Issuer from the Revenue Fund and into the Refunding Bonds Redemption Account in accordance with Subsection 4.03(A)(1) shall include (after credit as provided below) on the first of each month, beginning on the first day of that month which is 12 months prior to the first mandatory redemption date of said Term Bonds, a sum equal to 1/12th of the amount (or, if the Refunding Bonds mature semiannually rather than annually, that month which is 6 months prior to the first mandatory redemption date of said Term Bonds, a sum equal to 1/6th of the amount) required to redeem the principal amount of such Term Bonds which are to be redeemed as of the next ensuing mandatory Redemption Date, which amounts and dates, if any, with respect to a series of Bonds shall be set forth in the Supplemental Resolution relating thereto.

2. At its option, to be exercised on or before the 60th day next preceding any such mandatory Redemption Date, the Issuer may (a) deliver to the Registrar for cancellation such Term Bonds in any aggregate principal amount desired or (b) receive a credit in respect of its mandatory redemption obligation for any such Term Bonds which prior to said date have been redeemed (otherwise than pursuant to this section) and canceled by the Registrar and not theretofore applied as a credit against any such mandatory redemption obligation. Each Term Bond so delivered or previously redeemed shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory Redemption Date, and Term Bonds delivered in excess of such mandatory redemption obligation shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

3. The Issuer shall on or before the 60th day next preceding each mandatory Redemption Date furnish the Registrar and the Bond Commission with its certificate indicating whether and to what extent the provisions of (a) and (b) of the preceding paragraph are to be utilized with respect to such mandatory redemption payment and stating, in the case of the credit provided for in (b) of the preceding paragraph, that such credit has not theretofore been applied against any mandatory redemption obligation.

4. After said 60th day but prior to the date on which the Registrar selects the Term Bonds to be redeemed, the Bond Commission may use the monies in the Refunding Bonds Redemption Account to purchase Term Bonds at a price less than the par value thereof and accrued interest thereon. The Bond Commission shall advise the Issuer and the Registrar of any Term Bonds so purchased, and they shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory Redemption Date, and any excess shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

5. The Registrar shall call for redemption, in the manner provided herein, an aggregate principal amount of such Term Bonds, at the principal amount thereof plus interest accrued to the Redemption Date (interest to be paid from the Refunding Bonds Sinking Fund), as will exhaust as nearly as practicable such Refunding Bonds Redemption Account payment designated to be made in accordance with paragraph (A)(1) of this section. Such redemption shall be by random selection made on the 45th day preceding the mandatory Redemption Date, in such manner as may be determined by the Registrar. For purposes of this section, "Term Bonds" shall include any portion of a fully registered Term Bond, in integrals of \$5,000.

Section 3.07. Notice of Redemption. Unless waived by any Holder of the Refunding Bonds to be redeemed, official notice of any redemption shall be given by the Registrar on behalf of the Issuer by mailing a copy of an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the applicable Bond Insurer, the Original Purchaser, and the registered owner of the Refunding Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owner to the Bond Registrar.

So long as DTC (as CEDE & CO.) is the registered Owner of the Refunding Bonds, the Registrar shall send all notices of redemption to DTC and shall verify that DTC has received notice. Copies of all redemption notices shall also be sent to registered securities depositories, nationally recognized municipal securities information repositories and to *Standard & Poor's Called Bond Record*.

All official notices of redemption shall be dated and shall state:

- (1) The Redemption Date,
- (2) The Redemption Price,

(3) If less than all Outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed,

(4) That on the Redemption Date the Redemption Price and interest accrued will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date,

(5) The place where such Bonds are to be surrendered for payment of the Redemption Price, which place of payment shall be the principal office of the Registrar, and

(6) Such other information, if any, as shall be required for DTC-Eligible Bonds.

If funds sufficient to redeem all Refunding Bonds called for optional redemption have not been deposited with the Paying Agent at the time of mailing any notice of optional redemption, such notice shall also state that such optional redemption is subject to the deposit of such monies with the Paying Agent on or before the Redemption Date. If such monies are not so deposited, the Registrar shall notify all holders of Refunding Bonds called for redemption of such fact.

Official notice of redemption having been given as aforesaid, the Refunding Bonds, or portions of Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price) such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Refunding Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Registrar at the Redemption Price. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered owner a new Bond or Bonds of the same maturity in the amount of the unpaid principal of such Bond. All Refunding Bonds which have been redeemed shall be canceled and destroyed by the Bond Registrar and shall not be reissued.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of Refunding Bonds, and failure to mail such notice shall not affect the validity of proceedings for the redemption of any portion of Bonds for which there was no such failure.

Section 3.08. Persons Treated as Owners. The Issuer, the Registrar and any agent of the Issuer or the Registrar may treat the person in whose name any Bond is registered as the owner of such Bond for the purpose of receiving payment of the principal of, and interest on, such Bond and (except as provided in Section 6.18) for all other purposes, whether or not such Bond is overdue.

Section 3.09. Temporary Bonds. Until Bonds of any series in definitive form are ready for delivery, the Issuer may execute and the Registrar shall authenticate, register, if applicable, and deliver, subject to the same provisions, limitations and conditions set forth in this Article III, one or more printed, lithographed or typewritten Bonds in temporary form, substantially in the form of the definitive Bonds of such series, with

appropriate omissions, variations and insertions, and in authorized denominations. Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the lien and benefit created under this Ordinance. Upon the presentation and surrender of any Bond or Bonds in temporary form, the Issuer shall, without unreasonable delay, prepare, execute and deliver to the Registrar, and the Registrar shall authenticate, register, if applicable, and deliver, in exchange therefor, a Bond or Bonds in definitive form. Such exchange shall be made by the Registrar without making any charge therefor to the Holder of such Bond in temporary form.

Section 3.10. Refunding Bonds. For the purposes of paying in full the entire outstanding principal amount and all accrued interest on the Series 2010 A Bonds, funding the Refunding Bonds Reserve Account and paying costs in connection therewith, there shall be issued the Refunding Bonds of the Issuer, in an aggregate principal amount of not more than \$40,000,000. Said Refunding Bonds shall be designated "Combined Utility System Refunding Revenue Bonds, Refunding" or such other designation as may be appropriate for the year and sequence of the issue, as may be set forth in a Supplemental Resolution, and shall be issued in fully registered form, in the denomination of \$5,000 or any integral multiple thereof for any period of maturity, not exceeding the aggregate principal amount of Refunding Bonds maturing in the period of maturity for which the denomination is to be specified. The Refunding Bonds shall be numbered from AR-1 consecutively upward. The Refunding Bonds shall be dated; shall be in such aggregate principal amount (not to exceed \$40,000,000); shall bear interest at such rate or rates, not exceeding the then legally permissible rate (not to exceed 8%), payable semiannually on such dates; shall mature on such dates (which may be annual or semi-annual) (not to exceed 35 years) and in such amounts; shall be subject to such mandatory and optional redemption provisions; and shall have such other terms, all as the Issuer shall prescribe herein and in the Supplemental Resolution.

Section 3.11. Book Entry System for Refunding Bonds.

A. The Refunding Bonds shall each initially be issued in the form of one fully-registered bond for the aggregate principal amount of the Refunding Bonds of each maturity, registered in the name of CEDE & CO., as nominee of DTC. Except as provided in paragraph E below, all of the Refunding Bonds shall be registered in the registration books kept by the Registrar in the name of CEDE & CO., as nominee of DTC; provided that if DTC shall request that the Refunding Bonds be registered in the name of a different nominee, the Registrar shall exchange all or any portion of the Refunding Bonds registered in the name of such nominee or nominees. No person other than DTC or its nominee shall be entitled to receive from the Issuer or the Registrar either a Refunding Bond or any other evidence of ownership of the Refunding Bonds, or any right to receive any payment in respect thereof unless DTC or its nominee shall transfer record ownership of all or any portion of the Refunding Bonds on the registration books maintained by the Registrar, in connection with discontinuing the book entry system as provided in paragraph E below.

B. At or prior to settlement for the Refunding Bonds, the Issuer and the Registrar shall execute or signify their approval of a representation letter addressed to DTC in a form satisfactory to DTC (the "Representation Letter"). Any successor Registrar shall, in its written acceptance of its duties under this Ordinance, agree to take any actions necessary from time to time to comply with the requirements of the Representation Letter.

C. So long as the Refunding Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all payments of the principal or Redemption Price of or interest on such Refunding Bonds shall be made to DTC or its nominee at the addresses set forth in the Representation Letter in New York Clearing House or equivalent next day funds on the dates provided for such payments to be made to any Bondholder under this Ordinance. Each such payment to DTC or its nominee shall be valid and effective to fully discharge all liability of the Issuer and the Registrar with respect to the principal or Redemption Price of or interest on the Refunding Bonds to the extent of the sum or sums so paid. In the event of the redemption of less than all of the Refunding Bonds Outstanding of any maturity, the Registrar shall not require surrender by DTC of the Refunding Bonds so redeemed, but DTC may retain such Refunding Bonds and make an appropriate notation on the Refunding Bonds certificate as to the amount of such partial redemption; provided that DTC shall deliver to the Registrar, upon request, a written confirmation of such partial redemption. The records maintained by the Registrar shall be conclusive as to the amount of the Refunding Bonds of such maturity which have been redeemed.

D. The Issuer, the Paying Agent and the Registrar may treat DTC as the sole and exclusive owner of the Refunding Bonds registered in its name or the name of its nominee for the purposes of payment of the principal or Redemption Price of or interest on the Refunding Bonds, selecting the Refunding Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Bondholders under this Ordinance, registering the transfer of Refunding Bonds, obtaining any consent or other action to be taken by Bondholders and for all other purposes whatsoever; and neither the Issuer nor the Registrar shall be affected by any notice to the contrary. Neither the Issuer nor the Registrar shall have any responsibility or obligation to any direct or indirect participant in DTC, any person claiming a beneficial ownership interest in the Refunding Bonds under or through DTC or any such participant, or any other person which is not shown on the registration books of the Registrar as being a Bondholder with respect to (i) the Refunding Bonds, (ii) the accuracy of any records maintained by DTC or any such participant, (iii) the payment by DTC or any such participant of any amount in respect of the principal or Redemption Price of or interest on the Refunding Bonds, (iv) any notice which is permitted or required to be given to Bondholders under this Ordinance, (v) the selection by DTC or any such participant of any person to receive payment in the event of a partial redemption of the Refunding Bonds, or (vi) any consent given or other action taken by DTC as Bondholder.

E. The book entry system for registration of the ownership of the Refunding Bonds may be discontinued at any time if either: (i) DTC determines to resign as securities depository for the Refunding Bonds; or (ii) the Issuer determines that continuation of the system of book entry transfers through DTC (or through a successor securities depository) is not in the best interest of the beneficial owners of the Refunding Bonds. In either of such events (unless in the case described in clause (iii) above, the Issuer appoints a successor securities depository), the Refunding Bonds shall be delivered in registered certificate form to such persons, and in such maturities and principal amounts, as may be designated by DTC, but without any liability on the part of the Issuer or the Registrar for the accuracy of such designation. Whenever DTC requests the Issuer and the Registrar to do so, the Issuer and the Registrar shall cooperate with DTC in taking appropriate action after reasonable notice to arrange for another securities depository to maintain custody of certificates evidencing the Refunding Bonds.

Section 3.12. Delivery of Refunding Bonds.

A. The Issuer shall execute and deliver the Refunding Bonds to the Registrar, and the Registrar shall authenticate, register and deliver the Refunding Bonds to the Original Purchaser upon receipt of the documents set forth below:

(1) If not registered in the name of DTC or its nominee, a list of the names in which the Refunding Bonds are to be registered upon original issuance, together with such taxpayer identification and other information as the Registrar may reasonably require;

(2) A request and authorization to the Registrar on behalf of the Issuer, signed by an Authorized Officer, to authenticate and deliver the Refunding Bonds to DTC for the benefit of the Original Purchaser;

(3) Copies, certified by the City Clerk, of this Ordinance and the Supplemental Resolution;

(4) The unqualified approving opinion upon the Refunding Bonds by Bond Counsel; and

(5) Such other opinions, certificates and documents as shall be reasonably requested by the Original Purchaser.

Section 3.13. Form of Refunding Bonds. The definitive Refunding Bonds shall be in substantially the form set forth in EXHIBIT A – REFUNDING BOND FORM attached hereto and incorporated herein by reference, with such necessary and appropriate omissions, insertions and variations as are approved by those officers executing such Refunding Bonds on behalf of the Issuer and execution thereof by such officers shall constitute conclusive evidence of such approval, and the definitive Refunding Bonds shall have the form of the opinion of Steptoe & Johnson PLLC, as Bond Counsel, attached thereto or printed on the reverse thereof.

Section 3.14. Disposition of Proceeds of Refunding Bonds. Upon the issuance and delivery of the Refunding Bonds, the Issuer shall forthwith deposit the proceeds thereof as follows:

1. All interest accrued on the Refunding Bonds from the date thereof to the date of delivery thereof shall be deposited in the Refunding Bonds Sinking Fund and applied to payment of interest on the Refunding Bonds at the first interest payment date.

2. An amount of the proceeds of the Refunding Bonds equal to the amount, if any, set forth in the Supplemental Resolution shall be remitted to the Bond Commission for deposit in the Refunding Bonds Reserve Account, provided that, to the extent the Refunding Bonds Reserve Requirement is satisfied in whole or in part from a reserve account letter of credit, surety bond or other credit facility, proceeds of the Refunding Bonds shall be deposited in the Refunding Bonds Reserve Account only to the extent needed to satisfy the balance of the Refunding Bonds Reserve Requirement.

3. An amount of the proceeds of the Refunding Bonds equal to the entire outstanding principal of and all accrued interest on the Series 2010 A Bonds, less the amounts transferred from the Series 2010 A Bonds Sinking Fund and Series 2010 A Bonds Reserve Fund, if any, as set forth in the Supplemental Resolution shall be remitted to the Bond Commission to pay the Series 2010 A Bonds in full.

4. The amount of Refunding Bond proceeds which, together with other monies or securities deposited therein shall be equal to the Costs of Issuance of the Refunding Bonds shall be deposited with the Depository Bank in the Refunding Bonds Costs of Issuance Fund and shall be drawn out, used and applied by the Issuer solely to pay costs of issuance of the Refunding Bonds at the written direction of the Issuer. Monies not to be applied immediately to pay such costs of issuance may be invested in accordance with this Ordinance, subject however, to applicable yield restrictions as may be in effect under the Code. If for any reason such proceeds, or any part thereof, are not necessary for, or are not applied to such purpose within 120 days following the Closing Date for the Refunding Bonds, such unapplied proceeds shall be transferred by the Issuer to the Refunding Bonds Sinking Fund established in Section 4.01 hereof and applied to the next ensuing payment of interest on the Refunding Bonds. All such proceeds shall constitute a trust fund for such purposes, and there hereby is created a lien upon such monies until so applied in favor of the Holders of the Refunding Bonds from which such proceeds are derived.

Section 4.03. System Revenues and Application Thereof. So long as any of the Refunding Bonds shall be Outstanding and unpaid, the Issuer covenants as follows:

A. The entire Gross Revenues derived from the operation of the System and all parts thereof shall be deposited by the Issuer in the Revenue Fund. The Revenue Fund shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner herein provided. All Revenues at any time remaining on deposit in the Revenue Fund shall be disposed of only in the following manner and order of priority:

(1) The Issuer shall first, from the monies in the Revenue Fund, on the first day of each month, simultaneously remit to the Commission (i) the amounts required by the Prior Ordinances to be deposited in the Prior Bonds Sinking Funds for payment of interest on the respective Prior Bonds; and (ii) beginning on the first day of that month which is 6 months prior to the first interest payment date on the Refunding Bonds, apportion and set apart out of the Revenue Fund and deposit in the Refunding Bonds Sinking Fund, a sum equal to 1/6th of the amount of interest which will become due on said Refunding Bonds on the next ensuing semiannual interest payment date, provided, that in the event the period to elapse

between the date of such initial deposit in the Refunding Bonds Sinking Fund and the next ensuing semiannual interest payment date is less than or greater than 6 months, then such monthly payments shall be increased or decreased proportionately to provide, 1 month prior to the next ensuing semiannual interest payment date, the required amount of interest coming due on such date, and provided further, that the initial amount required to be transferred from the Revenue Fund and deposited in the Refunding Bonds Sinking Fund shall be reduced by the amount of accrued interest on the Refunding Bonds deposited therein and subsequent amounts required to be transferred from the Revenue Fund and deposited in the Refunding Bonds Sinking Fund shall be reduced by the amount of any earnings credited to the Refunding Bonds Sinking Fund.

(2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and, simultaneously remit to the Commission (i) the amounts required by the Prior Ordinances to be deposited in the Prior Bonds Sinking Funds for payment of principal on the Prior Bonds; and (ii) for deposit in the Refunding Bonds Sinking Fund (and in the Refunding Bonds Redemption Account therein in the case of Term Bonds which are to be redeemed) on the first day of each month, beginning on the first day of that month which is 12 months prior to the first principal payment or mandatory Redemption Date of the Refunding Bonds, a sum equal to 1/12th of the amount (or 1/6th of the amount if the Refunding Bonds mature semiannually rather than annually) of principal which will mature or be redeemed and become due on the Refunding Bonds on the next ensuing principal payment or mandatory Redemption Date, provided, that in the event the period to elapse between the date of such initial deposit in the Refunding Bonds Sinking Fund and the next ensuing principal payment or mandatory Redemption Date is less than or greater than 12 months (or 6 months if the Refunding Bonds mature semiannually rather than annually), then such monthly payments shall be increased or decreased proportionately to provide, one month prior to the next ensuing principal payment date or mandatory Redemption Date, the required amount of principal coming due on such date, and provided further, that the amount of such deposits shall be reduced by the amount of any earnings credited to the Refunding Bonds Sinking Fund and not previously credited pursuant to the preceding paragraph.

(3) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and, simultaneously remit to the Commission (i) the amounts required by the Prior Ordinances to be deposited in the Prior Bonds Reserve Accounts for the Prior Bonds; and (ii) commencing 13 months prior to the first date of payment of principal of the Refunding Bonds or upon completion of construction of the Project, whichever is earlier, if not fully funded upon issuance of the Refunding Bonds, for deposit in the Refunding Bonds Reserve Account, an amount equal to 1/120th of the Refunding Bonds Reserve Requirement; provided that, no further payments shall be made into the Refunding Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Refunding Bonds Reserve Requirement; provided further, that if the amounts in the Refunding Bonds Reserve Account, as a result of a decrease in value of the Refunding Bonds Reserve Account below the Refunding Bonds Reserve Account Requirement or any withdrawal from the Refunding Bonds Reserve Account, the Issuer shall apply such monies for deposit into the Refunding Bonds Reserve Account, beginning with the first full calendar month following the date on which (i) the valuation of investments in the Refunding Bonds Reserve Account results in a determination that the amount of monies and the value of the Qualified Investments deposited to the credit of the Refunding Bonds Reserve Account is less than the Refunding Bond Reserve Account Requirement, or (ii) any amount is withdrawn from the Refunding Bonds Reserve Account

for deposit into the Refunding Bonds Sinking Fund. To the extent Net Revenues and any other legally available funds are available therefor, the amount so deposited shall be used to restore the amount of monies on deposit in the Refunding Bonds Reserve Account to an amount equal to the Refunding Bond Reserve Account Requirement to the full extent that such Net Revenues are available; provided, however, that if the shortfall in the Refunding Bonds Reserve Account is due to a decrease in the value of investments therein, such shortfall shall be replenished by not less than 4 equal monthly payments, and if such shortfall is due to a withdrawal from the Refunding Bonds Reserve Account, such shortfall shall be replenished by not less than 12 equal monthly payments, and provided further, that no payments shall be required to be made into the Refunding Bonds Reserve Account whenever and as long as the amount deposited therein shall be equal to the Refunding Bond Reserve Account Requirement.

Amounts in the Refunding Bonds Reserve Account shall be used only for the purpose of making payments of principal of and interest on the Refunding Bonds when due, when amounts in the Refunding Bonds Sinking Fund are insufficient therefor and for no other purpose.

(4) The Issuer shall next, each month, transfer from the Revenue Fund an amount sufficient to pay current Operating Expenses of the System.

(5) The Issuer shall next, on the first day of each month, transfer from the monies remaining in the Revenue Fund and remit to the Depository Bank for deposit in the Renewal and Replacement Fund (as previously set forth in the Prior Ordinances and not in addition thereto), a sum equal to 2 1/2% of the Gross Revenues each month, exclusive of any payments for account of any Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Subject to the restrictions contained in the Prior Ordinances, so long as the Prior Bonds are outstanding, withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, emergency repairs, or improvements or extensions to the System; provided, that any deficiency in any Reserve Account, except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof, shall be promptly eliminated with monies from the Renewal and Replacement Fund.

(6) Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinabove provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by the Act, such excess shall be considered as surplus revenues (the "Surplus Revenues"). Surplus Revenues may be used for any lawful purpose of the System.

B. The Bond Commission is hereby designated as the fiscal agent for the administration of the Refunding Bonds Sinking Fund created hereunder, and all amounts required for said Sinking Fund shall be remitted to the Bond Commission from said Revenue Fund and from the proceeds of the sale of the Refunding Bonds, by the Issuer at the times and as otherwise provided herein. All remittances made by the Issuer to the Bond Commission shall clearly identify the fund or account into which each amount is to be deposited.

C. The monies on deposit in the Revenue Fund and the Renewal and Replacement Fund in excess of the sum insured by the FDIC shall at all times be secured, to the full extent thereof in excess of such insured sum, by Government Obligations or by other Qualified Investments as shall be eligible as security for deposits of municipal funds under the laws of the State.

D. Principal, interest or reserve payments, whether for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Prior Bonds, the Refunding Bonds, all in accordance with the respective principal amounts then Outstanding.

ARTICLE V
INVESTMENTS; NON-ARBITRAGE;
REBATES OF EXCESS INVESTMENT EARNINGS

Section 5.01. Investments. The Issuer shall invest and reinvest, and shall instruct the Bond Commission and the Depository Bank to invest and reinvest, any monies held as a part of the funds and accounts created by this Ordinance in Qualified Investments to the fullest extent possible under applicable laws, this Ordinance, the need for such monies for the purposes set forth herein and the specific restrictions and provisions set forth in this section.

Except as provided below, any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The Issuer shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Issuer may make any and all investments permitted by this section through the bond department of the Depository Bank. The Depository Bank shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The following specific provisions shall apply with respect to any investments made under this section (unless otherwise required by the Bond Insurer and as set forth in the Supplemental Resolution):

(A) Qualified Investments acquired for the Refunding Bonds Reserve Account shall mature or be subject to retirement at the option of the holder within not more than 5 years from the date of such investment.

(B) The Issuer shall, or shall cause the Bond Commission to, annually transfer from the Refunding Bonds Reserve Account to the Sinking Fund any earnings on the monies deposited therein and any other funds in excess of the Refunding Bonds Reserve Requirement, provided, however, that there shall at all times remain on deposit in the Refunding Bonds Reserve Account an amount at least equal to the Refunding Bonds Reserve Requirement.

(C) In computing the amount in any fund or account, Qualified Investments shall be valued at the lower of the cost or the market price, exclusive of accrued interest. Valuation of all funds and accounts shall occur annually, except in the event of a withdrawal from the Refunding Bonds Reserve Account, whereupon it shall be valued immediately after such withdrawal. If amounts on deposit in the Refunding Bonds Reserve Account shall, at any time, be less than the applicable Refunding Bonds Reserve Requirement, the applicable Bond Insurer shall be notified immediately of such deficiency, and such deficiency shall be made up from the first available Gross Revenues after required deposits to the Sinking Fund and otherwise in accordance with Section 4.03(3).

(E) All amounts representing accrued and capitalized interest shall be held by the Bond Commission, pledged solely to the payment of interest on the Refunding Bonds, as appropriate, and invested only in Government Obligations maturing at such times and in such amounts as are necessary to match the interest payments to which they are pledged.

(F) Notwithstanding the foregoing, all monies deposited in the Refunding Bonds Sinking Fund may be invested by the Bond Commission in the West Virginia "consolidated fund" managed by the West Virginia Investment Management Board pursuant to Chapter 12, Article 6 of the Code of West Virginia, 1931, as amended.

Section 5.02. Continuing Disclosure Agreement. The Issuer shall deliver a continuing disclosure agreement or certificate in form acceptable to the Original Purchaser sufficient to ensure compliance with SEC Rule 15c2-12, as it may be amended from time to time, and the Issuer hereby instructs the Mayor and City Manager to take all actions necessary for the Issuer to comply with the continuing disclosure agreement.

Section 5.03. Arbitrage. This section applies if Refunding Bonds are issued on a tax-exempt basis. The Issuer covenants that (i) it will restrict the use of the proceeds of the Refunding Bonds in such manner and to such extent as may be necessary, so that such Refunding Bonds will not constitute "arbitrage bonds" under Section 148 of the Code and Regulations prescribed thereunder, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a Federal information return with respect to such Bonds) so that the interest on the Refunding Bonds will be and remain excluded from gross income for Federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 5.04. Tax Certificate, Rebates, and Rebate Fund. This section applies if Refunding Bonds are issued on a tax-exempt basis. The Issuer shall deliver a certificate of arbitrage, a tax certificate or other similar certificate (the "Tax Certificate") to be prepared by nationally recognized bond counsel or tax counsel relating to payment of arbitrage rebate and other tax matters as a condition to issuance of any series of Bonds. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Refunding Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of this Ordinance.

The Issuer shall calculate, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, the Issuer or the Board shall deposit, or cause to be deposited, in the Rebate Fund such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the sum determined to be subject to rebate to the United States, which, notwithstanding anything herein to the contrary, shall be paid from investment earnings on the underlying fund or account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. Notwithstanding anything herein to the contrary, the Rebate Fund shall be held free and clear of any lien or pledge hereunder and used only for payment of rebatable arbitrage to the United States. The Issuer shall pay, or cause to be paid, to the United States, from the Rebate Fund, the rebatable arbitrage in accordance with Section 148(f) of the Code and such Regulations. In the event that there are any amounts remaining in the Rebate Fund following all such payments required by the preceding sentence, the Depository Bank shall pay said amounts to the Issuer to be used for any lawful purpose of the System. The Issuer shall remit payments to the United States in the time and at the address prescribed by the Regulations as the same may be in time to time in effect with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefore. The Issuer at its expense, may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the Issuer may deem appropriate in order to assure compliance with this Section 5.04. The Issuer shall keep and retain, or cause to be kept and retained, records of the determinations made pursuant to this Section 5.04 in accordance with the requirements of Section 148(f) of the Code and such Regulations. In the event the Issuer fails to make such rebates as required, the Issuer shall pay any and all penalties and other amounts, from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, in order to maintain the exclusion of interest on the Bonds from gross income for federal income tax purposes.

ARTICLE VI

ADDITIONAL COVENANTS OF THE ISSUER

Section 6.01. Covenants Binding and Irrevocable. All the covenants, agreements and provisions of this Ordinance shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Refunding Bonds, as prescribed by Article VII. In addition to the other covenants, agreements and provisions of this Ordinance, the Issuer hereby covenants and agrees with the Holders of the Refunding Bonds, as hereinafter provided in this Article VI. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Refunding Bonds or the interest thereon, are Outstanding and unpaid.

Section 6.02. Bonds not to be Indebtedness of the Issuer. The Refunding Bonds shall not be or constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness but shall be payable solely from the Gross Revenues of the System, the monies in the Refunding Bonds Sinking Fund and all accounts therein, the unexpended proceeds of the Refunding Bonds or monies in a

construction fund, if any, all as herein provided. No Holder or Holders of any Refunding Bonds issued hereunder shall ever have the right to compel the exercise of the taxing power of the Issuer to pay said Refunding Bonds or the interest thereon.

Section 6.03. Bonds Secured by Pledge of Gross Revenues and Monies in Sinking Fund. The payment of the debt service of all of the Refunding Bonds issued hereunder shall be secured forthwith equally and ratably by a first lien on the Gross Revenues derived from the operation of the System on a parity with one another and with the lien on the Gross Revenues in favor of the Holders of the Prior Bonds and, in the instance of the Refunding Bonds, all monies and securities in the Refunding Sinking Fund, including the Refunding Bonds Reserve Account therein, to the extent necessary to make the payments required under Section 4.03. The Gross Revenues derived from the System, in an amount sufficient to pay the principal of and interest on the Prior Bonds and the Refunding Bonds herein authorized, and to make the payments into the Refunding Bonds Sinking Fund, all monies and securities in the Refunding Bonds Sinking Fund, including the Refunding Bonds Reserve Account therein.

Section 6.04. Rates. Equitable rates or charges for the use of and service rendered by the System have been established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the City Clerk, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Refunding Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Refunding Bonds, including the Prior Bonds.

The Issuer hereby covenants to commence enactment of such ordinance or ordinances as shall be required to increase the rates and charges for the services and facilities of the System within 30 days following a determination of the Independent Accountant that less than the above-required coverage exists or in the event that the annual audit report shows less than the above-required coverage, such increase to provide rates and charges sufficient to produce such required coverage. In any event, subject to the requirements of law, the Issuer shall not reduce the rates or charges for services set forth in the current rate ordinance.

Section 6.05. Operation and Maintenance. The Issuer will maintain the System in good condition and will operate the same as a revenue-producing enterprise in an efficient and economical manner, making such expenditures for equipment and for renewal, repair and replacement as may be proper for the economical operation and maintenance thereof from the revenues of said System in the manner provided in this Ordinance.

Section 6.06. Sale of the System. So long as the Prior Bonds are Outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the System, except as provided by the Prior Ordinances. Additionally, so long as the Refunding Bonds are Outstanding, the System may be sold, mortgaged, leased or otherwise disposed of only as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to defease the pledge created by this Ordinance as provided by Section 9.01. The proceeds from such sale, mortgage, lease or other disposition of the System shall be immediately remitted to the Bond Commission for deposit in the Refunding Bonds Sinking Fund, and otherwise as prescribed by Section 9.01. Any balance remaining after such defeasance shall be remitted to the Issuer by the Bond Commission unless necessary for the payment of other obligations of the Issuer payable out of the Revenues of the System.

The foregoing provision notwithstanding, the Board shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor is not in excess of \$250,000, the Board shall, in writing, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Board may then provide for the sale of such property. The proceeds of any such sale shall be used for any lawful purpose of the System. If the amount to be received from such sale, lease or other disposition of said property shall be in excess of \$250,000 but not in excess of \$1,000,000, the Board shall first, in writing, determine with the written approval of the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Board may then, if it be so advised, by resolution duly adopted, approve and concur in such finding and authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition of such property, in excess of \$250,000 and not in excess of \$1,000,000, shall be deposited by the Issuer into the Renewal and Replacement Fund. Such payments of such proceeds into the Renewal and Replacement Fund shall reduce the amounts required to be paid into said funds by other provisions of this Ordinance.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom shall be in excess of \$1,000,000 and insufficient to defease the pledge created by this Ordinance, as provided by Section 9.01, without the prior approval and consent in writing of any applicable Bond Insurer and the Holders, or their duly authorized representatives, of 60% in amount of Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the Bond Insurer and the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 6.07. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. The Issuer shall not issue any other obligations whatsoever, except Additional Parity Bonds provided for in Section 6.08 hereof, payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from the Gross Revenues with the Refunding Bonds; and all obligations hereafter issued by the Issuer payable from the revenues of the System, except such Additional Parity Bonds, shall contain an express statement that such obligations are

junior and subordinate as to lien on and source of and security for payment from such revenues and in all other respects to the Refunding Bonds.

The Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or, except with respect to such Additional Parity Bonds, being on a parity with the lien of the Refunding Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Refunding Bonds and the interest thereon in this Ordinance or upon the System or any part thereof.

Section 6.08. Additional Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable. In addition, no additional Parity Bonds, as in this section defined, payable out of the revenues of the System shall be issued after the issuance of any Bonds pursuant to this Ordinance, except under the conditions and in the manner herein provided.

No such Additional Parity Bonds shall be issued except for the purpose of financing the costs of design, acquisition or construction of additions, betterments or improvements to the System, refunding all or a portion of one or more series of Bonds issued pursuant hereto or the Prior Bonds, to pay claims which may exist against the revenues or facilities of the System, or all of such purposes.

No such Additional Parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the City Clerk a written statement by an Independent Accountant, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months within the 18 months immediately preceding the date of the actual issuance of such Additional Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the date of issuance of such Additional Parity Bonds, shall be not less than 115% of the Maximum Annual Debt Service on the following:

- (1) The Refunding Bonds then Outstanding;
- (2) The Prior Bonds Outstanding;
- (3) Any Additional Parity Bonds theretofore issued pursuant to the provisions contained in this Bond Legislation then Outstanding; and
- (4) The Additional Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Additional Parity Bonds and any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the issuance of such Additional Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Accountant, which shall be filed in the office of the Clerk prior to the issuance of such Additional Parity Bonds.

The Net Revenues actually derived from the System during the 12 consecutive month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Accountant, as stated in a certificate on account of increased rates, rentals, fees and charges for the System enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to issuance of such Additional Parity Bonds.

The term "Additional Parity Bonds," as used in this section, shall be deemed to mean additional Bonds issued under the provisions and within the limitations of this section, payable from the Gross Revenues of the System on a parity with the Refunding Bonds and the Prior Bonds, and all the covenants and other provisions of this Ordinance (except as to details of such Additional Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Refunding Bonds and the Prior Bonds and the Holders of any Additional Parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. All the Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Gross Revenues of the System, and their source of and security for payment from said Gross Revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Ordinance required for and on account of such Additional Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Ordinance.

The term "Additional Parity Bonds," as used in this section, shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien on the Revenues of the System of which is subject to the prior and superior lien of the Bonds on such Revenues. Any such subordinate bonds, notes, certificates or other obligations shall be payable from the Net Revenues remaining after all payments required to be made pursuant to Section 4.03(1), (2) and (3) have first been paid. The Issuer shall not issue any obligations whatsoever payable from the Revenues of the System, or any part thereof, which rank prior to or equally, as to lien and source of and security for payment from such Revenues, with the Refunding Bonds except in the manner and under the conditions provided in this section.

No Additional Parity Bonds, as in this section defined, shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Ordinance on account of the Bonds then Outstanding (excluding the Renewal and Replacement Fund), and any other payments provided for in this Ordinance, shall have been made in full as required to the date of delivery of the Additional Parity Bonds and the Issuer shall then be in full compliance with all the covenants, agreements and terms in the Ordinance and every ordinance supplemental thereto, or shall have fully corrected any delinquency or deficiency with respect to such payments and compliance.

Section 6.09. Insurance and Bonds. The Issuer hereby covenants and agrees, that so long as the Refunding Bonds remain Outstanding, the Issuer or the Board will, as an Operating Expense, procure, carry and maintain insurance and bonds and worker's compensation coverage with a reputable insurance carrier or carriers or bonding company or companies rated at least "A" by Standard & Poor's Corporation covering the following risks and in the following amounts:

A. FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the greater of the fair appraised value or the original cost thereof. In the event of any damage to or destruction of any portion of the System, the Board will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damages or destroyed portion. The Board will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Board and the Issuer during construction of the Project in the full insurable value thereof.

B. PUBLIC LIABILITY INSURANCE, with limits of not less than is customarily carried by municipalities of equivalent size with respect to works and properties similar to the System to protect the Issuer and the Board from claims for bodily injury and/or death and from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer and the Board from claims arising out of operation or ownership of motor vehicles of or for the System, provided that, the Board, with the review of an insurance consultant and the concurrence of the Issuer, may elect to self-insure, so long as the following requirements are met:

(i) The self-insurance program has been reviewed by an insurance consultant;

(ii) The self-insurance program includes an actuarially sound claims reserve fund out of which each self-insured claim shall be paid; the adequacy of such fund shall be evaluated on an annual basis by an insurance consultant; and any deficiencies in any self-insured claims reserve fund will be remedied in accordance with the recommendation of the insurance consultant;

(iii) The self-insured claims reserve fund shall be held in the United States of America in a separate trust fund by an independent corporate trustee; and

(iv) In the event the current funding of the self-insurance program shall be discontinued, the actuarial soundness of its claims reserve fund, as determined by an insurance consultant, shall be maintained.

If the Issuer determines in good faith that any required insurance is not commercially available at a reasonable cost with reasonable terms, it shall engage an insurance consultant to verify the determination and to make recommendations regarding the types, amounts and provisions of any such insurance that should be purchased or funded by the Issuer, taking into consideration the costs and practices of other municipal water and sewer systems of similar size and type in the State to the extent that such information is available. The Issuer may, upon resolution adopted in good faith and upon the

recommendations of the insurance consultant, adopt alternate or supplemental risk management programs which the Issuer determines to be reasonable, including the right to self-insure and participate in captive insurance companies.

C. WORKER'S COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT OR COMPLETION BONDS, such bonds to be in the amounts of not less than 100% of the amount of any construction contract and to be required of each contractor dealing directly with the Board and such payment bonds will be filed with the Clerk of the County Commission of Monongalia County prior to commencement of construction of any additions, extensions or improvements for the System in compliance with West Virginia Code, Section 38-2-39.

D. FLOOD INSURANCE, if the facilities of the System are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

E. BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

F. FIDELITY BONDS will be provided as to every officer, member and employee of the Issuer or the Governing Body having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

Section 6.10. Services Rendered to the Board or Issuer. The Board will not render or cause to be rendered any free services of any nature by its System; and, in the event the Board, the Issuer or any department, agency, instrumentality, officer or employee thereof shall avail himself of the facilities or services provided by the System or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Board, the Issuer and any such department, agency, instrumentality, officer or employee. Such charges shall be paid as they accrue, and the Board or the Issuer shall transfer from its general funds sufficient sums to pay such charges for service to any of its departments or properties. The revenues so received shall be deemed to be revenues derived from the operation of the System and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 6.11. Enforcement of Collections. The Issuer or the Board will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and payable, the user of the services and facilities shall be delinquent until such time as all such rates and charges are fully paid and to the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, all

delinquent rates, rentals and other charges, if not paid, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services and facilities of the System and any services and facilities of the Issuer's waterworks system, to all delinquent users of services and facilities of the System and will not restore such services of the System (or waterworks system) until all billing for charges for the services and facilities of the System, plus penalty charges for the restoration of service, has been fully paid or an appropriate payment plan has been established.

Section 6.12. No Competing Franchise. To the extent legally allowable, neither the Issuer nor the Board will grant or cause, consent to or allow the granting of any franchise or permit to any person, firm, corporation or body, or agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 6.13. Books and Records. The Board will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Board or the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Refunding Bond, shall have the right at all reasonable times to inspect the System, and all parts thereof, and all records, accounts and data of the Board relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles, to the extent allowable under and in accordance with the rules and regulations of the Public Service Commission of West Virginia and the Act. Separate control accounting records shall be maintained by the Board. Subsidiary records as may be required shall be kept in the manner, on the forms, in the books and along with other bookkeeping records as prescribed by the Board. The Board shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Board shall be reported to such agent of the Board as it shall direct.

The Issuer or the Board shall file with the Original Purchaser and any Bond Insurer, and shall mail to any Bondholder requesting the same, an annual report within 30 days following the date of receipt of the final audit containing a balance sheet, statement of revenues, expenses, and changes in retained earnings, and statement of cash flows, as prescribed by generally accepted accounting principles.

The Issuer or the Board shall also file with the Original Purchaser and any Bond Insurer, and mail to any Bondholder requesting the same, a monthly unaudited report within 30 days following the end of each month containing the following:

(A) A statement of Gross Revenues, Operating Expenses, and Net Revenues derived from the System; and

(B) A statement of account balances in the Sinking Fund accounts provided for in this Ordinance and status of said funds.

The Issuer or the Board shall also, at least once a year, cause the books, records and accounts of the System to be completely audited by an Independent Accountant, shall mail upon request, and make available generally, the report of said Independent Accountant, or a summary thereof, to any Holder or Holders of Refunding Bonds issued pursuant to this Ordinance and shall file said report with the Original Purchaser.

Section 6.14. Operating Budget. The Board shall annually, at least 45 days preceding the beginning of each Fiscal Year, or at such earlier date required by the charter of the Issuer, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of such a registered professional engineer that such increased expenditures are necessary for the continued operation of the System. The Board shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Original Purchaser and the Bond Insurer, if any, and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Original Purchaser and to any Bondholder or anyone acting for and in behalf of such Bondholder who requests the same.

Section 6.15. Mandatory Connections. The mandatory use of the sewerage portion of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer, and in order to assure the rendering harmless of sewage and waterborne waste matter produced or arising within the territory served by the sewerage portion of the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the sewerage portion of the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building and every such owner, tenant or occupant shall, after a 30 day notice of the availability of sewerage services of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or waterborne waste matter and which is not so connected with the sewerage portion of the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the residents of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 6.16. Statutory Mortgage Lien. For the further protection of the Holders of the Refunding Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon the issuance of the Refunding Bonds and shall be on a parity with one another and with the statutory mortgage lien in favor of the Holders of the Prior Bonds.

Section 6.17. Tax Covenants. This section applies if Refunding Bonds are issued on a tax-exempt basis. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Refunding Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on such Refunding Bonds during the term thereof is, under the terms of such Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) in the event that both (A) in excess of 5% of the Net Proceeds of the Refunding Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Refunding Bonds during the terms thereof is, under the terms of such Refunding Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Refunding Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the System, or if the Refunding Bonds are for the purpose of financing more than one project, a portion of the System, and shall not exceed the proceeds used for the governmental use of that portion of the System to which such Private Business Use is related. All of the foregoing shall be determined as provided for in the Code.

B. PRIVATE LOAN LIMITATION. The Issuer shall assure that not in excess of the lesser of 5% of the Net Proceeds of the Refunding Bonds or \$5,000,000 are used, directly or indirectly, to make or finance a loan to persons other than state or local government units.

C. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Refunding Bonds to be directly or indirectly "federally guaranteed" within the meaning of Section 149(b) of the Code and Regulations promulgated thereunder.

D. INFORMATION RETURN. The Issuer will file all statements, instruments and returns necessary to assure the tax-exempt status of the Refunding Bonds and the interest thereon, including without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. The Issuer will take all actions that may be required of it so that the interest on the Refunding Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion. Without limiting the generality of the foregoing, the Issuer agrees to comply with the provisions of the Tax Certificate, which are hereby incorporated herein. This covenant shall survive payment in full or defeasance of the Refunding Bonds.

Section 6.18. Covenants Regarding the Municipal Bond Insurance Policy.

This section applies if the Issuer obtains Municipal Bond Insurance Policies for the Refunding Bonds. In the event such Municipal Bond Insurance Policies are obtained, certain additional covenants of the Issuer will be required by the Bond Insurer as a condition to insuring the Refunding Bonds. These additional covenants shall be set forth in full in the Supplemental Resolution, shall apply to the Refunding Bonds and any other Bonds which may be insured by such Bond Insurer, and shall be controlling in the event any other provisions of this Ordinance may be in conflict therewith.

ARTICLE VII
DEFAULTS AND REMEDIES

Section 7.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Refunding Bonds:

(A) If default occurs in the due and punctual payment of the principal of or interest on any Bond;

(B) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part in this Ordinance or any Supplemental Resolution or in the Refunding Bonds contained, and such default shall have continued for a period of 30 days after written notice specifying such default and requiring the same to be remedied shall have been given to the Issuer by any Bondholder or any Insurer; or

(C) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(D) If default occurs with respect to the Prior Bonds or the Prior Ordinances.

Section 7.02. Enforcement. Upon the happening and continuance of any Event of Default, any Bondholder (with the prior written consent of the applicable Bond Insurer) or any Bond Insurer may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his rights and, in particular:

(A) Bring suit for any unpaid principal or interest then due;

(B) By mandamus or other appropriate proceeding enforce all rights of the Bondholders, including the right to require the Issuer to perform its duties under the Act and this Ordinance;

(C) Bring suit upon the Refunding Bonds, as applicable;

(D) By action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Bondholders; and

(E) By action or bill in equity enjoin any acts in violation of this Ordinance or the rights of the Bondholders.

No remedy by the terms of this Ordinance conferred upon or reserved to the Bondholders is intended to be exclusive of any other remedy, but each and every such

remedy shall be cumulative and shall be in addition to any other remedy given to the Bondholders hereunder or now or hereafter existing at law or by statute.

No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

No waiver of any default or Event of Default hereunder by the Bondholders shall be made without the prior written consent of the applicable Bond Insurer or shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereto.

Section 7.03. Appointment of Receiver. If there be any Event of Default existing and continuing, any Bondholder or any Bond Insurer shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of the principal of and interest on the Refunding Bonds, and the Prior Bonds, the deposits into the funds and accounts hereby established as herein provided and the payment of Operating Expenses of the System and to apply such rates, rentals, fees, charges or other Revenues in conformity with the provisions of this Ordinance and the Act.

The receiver so appointed shall forthwith, directly or by his agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate, maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Refunding Bonds issued pursuant to this Ordinance and interest thereon and under any covenants of this Ordinance for reserve, sinking or other funds and accounts and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the Revenues of the System shall have been paid and made good, and all defaults under the provisions of this Ordinance shall have been cured and made good, and all monies due hereunder or under any Supplemental Resolution have been paid in full, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Bondholder shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby and a successor receiver appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and the

Holders of the Refunding Bonds issued pursuant to this Ordinance. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System, for the sole purpose of the protection of both the Issuer and the Bondholders, and the curing and making good of any default under the provisions of this Ordinance, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, mortgage or otherwise dispose of any assets of the System.

Notwithstanding any other provision of this Ordinance, in determining whether the rights of the Bondholders will be adversely affected by any action taken pursuant to the terms and provisions of this Ordinance, any trustee or Bondholder's committee shall consider the effect on the Bondholders as if no Municipal Bond Insurance Policy were then in effect.

Section 7.04. Restoration of Issuer and Bondholder. In case any Bondholder shall have proceeded to enforce any right under this Ordinance by the appointment of a receiver, by entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer and such Bondholder shall be restored to their former positions and rights hereunder, and all rights and remedies of such Bondholder shall continue as if no such proceedings had been taken.

ARTICLE VIII

REGISTRAR AND PAYING AGENT

Section 8.01. Appointment of Registrar. The Registrar for the Refunding Bonds shall be appointed pursuant to the Supplemental Resolution. The Issuer is hereby authorized and directed to enter into an agreement with the Registrar, the substantial form of which agreement is to be approved by Supplemental Resolution.

Section 8.02. Responsibilities of Registrar. The recitals of fact in the Bonds shall be taken as statements of the Issuer, and the Registrar shall not be responsible for their accuracy. The Registrar shall not be deemed to make any representation as to, and shall not incur any liability on account of, the validity of the execution of any Refunding Bonds by the Issuer. Notwithstanding the foregoing, the Registrar shall be responsible for any representation in its Certificate of Authentication on the Refunding Bonds. The Registrar and any successor thereto shall agree to perform all the duties and responsibilities spelled out in this Ordinance and any other duties and responsibilities incident thereto, all as provided by said agreement described in Section 8.01.

Section 8.03. Evidence on Which Registrar May Act. Except as otherwise provided by Section 10.02, the Registrar shall be protected in acting upon any notice, resolution, request, consent, order, certificate, opinion or other document believed by it to be genuine and to have been signed or presented by the proper party or parties. Whenever the Registrar shall deem it necessary or desirable that a fact or matter be proved or established prior to taking or suffering any action, such fact or matter, unless other evidence is specifically prescribed, may be deemed to be conclusively proved and established by a

certificate of an Authorized Officer of the Issuer, but in its discretion the Registrar may instead accept other evidence of such fact or matter.

Section 8.04. Compensation and Expenses. The Issuer shall pay to the Registrar from time to time reasonable compensation for all services, including the transfer of registration of Refunding Bonds, the first exchange of Refunding Bonds and the exchange of Refunding Bonds in the event of partial redemption, incurred in the performance of its duties hereunder.

Section 8.05. Certain Permitted Acts. The Registrar may become the owner of or may deal in Refunding Bonds as fully and with the same rights it would have if it were not Registrar. To the extent permitted by law, the Registrar may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bondholders or effect or aid in any reorganization growing out of the enforcement of the Refunding Bonds, or this Ordinance, whether or not any such committee shall represent the Holders of a majority in principal amount of the Refunding Bonds Outstanding.

Section 8.06. Resignation of Registrar. The Registrar may at any time resign and be discharged of its duties and obligations under this Ordinance by giving not less than 60 days' written notice to the Issuer and publishing in an Authorized Newspaper notice (or mailing such notice to each Bondholder in the event all Bonds are fully registered), specifying the date when such resignation shall take effect, within 20 days after the giving of such written notice. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Such resignation shall take effect upon the day specified in such notice unless a successor shall have been previously appointed by the Issuer or bondholders, in which event such resignation shall take effect immediately, provided that in no event shall such resignation take effect until a successor has been appointed and has accepted its duties as Registrar.

Section 8.07. Removal. The Registrar may be removed at any time by the Issuer, the applicable Bond Insurer or by the Holders of a majority in principal amount of the Refunding Bonds then Outstanding by an instrument or concurrent instruments in writing signed and duly acknowledged by the Issuer, the applicable Bond Insurer or by such Bondholders or their attorneys duly authorized in writing and delivered to the Issuer, as the case may be. Copies of each such instrument shall be delivered by the Issuer to the Registrar. Such removal shall take effect upon the date stated in such instrument, provided that in no event shall such removal take effect until a successor has been appointed and has accepted its duties as Registrar.

Section 8.08. Appointment of Successor. In case at any time the Registrar shall resign or shall be removed or shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or if a receiver, liquidator or conservator of the Registrar or of its property shall be appointed, or if any public officer or court shall take charge or control of the Registrar or of its property or affairs, a successor may be appointed by the Holders of a majority in principal amount of the Refunding Bonds then Outstanding by an instrument or concurrent instruments in writing signed by such Bondholders or their attorneys duly authorized in writing and delivered to the Issuer and such successor Registrar, notification thereof being given to the predecessor Registrar. Pending such appointment, the Issuer shall forthwith appoint a Registrar to fill such vacancy until a successor Registrar shall be

appointed by such Bondholders. The Issuer shall publish in an Authorized Newspaper (or mail to each Bondholder in the event all Bonds are fully registered) notice of any such appointment within 20 days after the effective date of such appointment. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Any successor Registrar appointed by the Issuer shall, immediately and without further act, be superseded by a Registrar appointed by such Bondholders. If in a proper case no appointment of a successor Registrar shall be made within 45 days after the Registrar shall have given to the Issuer written notice of resignation or after the occurrence of any other event requiring such appointment, the Registrar or any Bondholder may apply to any court of competent jurisdiction to appoint a successor. Any Registrar appointed under the provisions of this section shall be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Ordinance.

Section 8.09. Transfer of Rights and Property to Successor. Any predecessor Registrar or Paying Agent shall pay over, assign and deliver any monies, books and records held by it to its successor.

Section 8.10. Merger or Consolidation. Any company into which the Registrar may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party, or any company to which the Registrar or any public officer or court may sell or transfer all or substantially all of its corporate trust business, shall be the successor to such Registrar without the execution or filing of any paper or the performance of any further act; provided, however, that such company shall be a bank, trust company or national banking association meeting the requirements set forth in Section 8.08.

Section 8.11. Adoption of Authentication. In case any of the Refunding Bonds shall have been authenticated but not delivered, any successor Registrar may adopt a Certificate of Authentication and Registration executed by any predecessor Registrar and deliver such Bonds so authenticated, and, in case any Bonds shall have been prepared but not authenticated, any successor Registrar may authenticate such Bonds in the name of the predecessor Registrar or in its own name.

Section 8.12. Paying Agent. The West Virginia Municipal Bond Commission shall initially serve as Paying Agent. Any alternate Paying Agent must be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Ordinance. Such alternate Paying Agent shall signify its acceptance of the duties and obligations imposed upon it pursuant hereto by executing and delivering to the Issuer a written acceptance thereof. Any successor Paying Agent shall take such actions as may be necessary to ensure that the Refunding Bond shall be and remain DTC-Eligible.

Each Paying Agent shall be entitled to payment and reimbursement for reasonable fees for its services rendered hereunder and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by such Paying Agent in connection with such services solely from monies available therefor.

Any bank, trust company or national banking association with or into which any Paying Agent may be merged or consolidated, or to which the assets and business of such Paying Agent may be sold, shall be deemed the successor of such Paying Agent for the

purposes of this Ordinance. If the position of Paying Agent shall become vacant for any reason, the Issuer shall, within 30 days thereafter, appoint a bank, trust company or national banking association located in the same city as such Paying Agent to fill such vacancy; provided, however, that, if the Issuer shall fail to appoint such Paying Agent within said period, the Bond Commission, a court of competent jurisdiction or a majority of the Bondholders may make such appointment.

The Paying Agents shall enjoy the same protective provisions in the performance of their duties hereunder as are specified in this Article VIII with respect to the Registrar, insofar as such provisions may be applicable.

Notice of the appointment of successor or additional Paying Agents or fiscal agents shall be given in the same manner as provided by Section 8.08 hereof with respect to the appointment of a successor Registrar.

All monies received by the Paying Agents shall, until used or applied as provided in this Ordinance, be held in trust for the purposes for which they were received.

ARTICLE IX

DEFEASANCE; DISCHARGE OF PLEDGE OF ORDINANCE

Section 9.01. Defeasance; Discharge of Pledge of Ordinance. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the respective Holders of all Refunding Bonds the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Ordinance, and all other monies due hereunder have been paid, then this Ordinance and the pledges of the Gross Revenues and other monies and securities pledged hereunder, and all covenants, agreements and other obligations of the Issuer on behalf of the Holders of the Refunding Bonds made hereunder, as applicable, shall thereupon cease, terminate and become void and be discharged and satisfied.

Bonds for the payment of which either monies in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide monies which, together with the monies, if any, deposited with the Paying Agent at the same or earlier time, shall be sufficient, to pay as and when due the respective principal of and interest on such Bonds shall be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section. All Refunding Bonds shall, prior to the maturity thereof, be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section if there shall have been deposited with the Bond Commission or an escrow trustee either monies in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide monies which, together with the monies, if any, deposited with the Bond Commission or said escrow trustee at the same or earlier time shall be sufficient, to pay when due the principal of, any redemption premium on and interest due and to become due on said Bonds on and prior to the maturity date thereof, or if the Issuer irrevocably determines to redeem any of said Bonds prior to the maturity thereof, on and prior to said Redemption Date. Neither securities nor monies deposited with the Bond Commission or an escrow trustee pursuant to this section nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of

the principal of and interest on said Bonds; provided, that any cash received from such principal, redemption premium, if any, and interest payments on such securities deposited with the Bond Commission or said escrow trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in securities maturing at times and in amounts sufficient to pay when due the principal of and redemption premium, if any, and interest to become due on said Bonds on and prior to such maturity or Redemption Dates thereof, and interest earned from such reinvestments shall be paid over to the Issuer as received by the Bond Commission or said escrow trustee, free and clear of any trust, lien or pledge.

ARTICLE X **MISCELLANEOUS**

Section 10.01. Amendment of Ordinance. Prior to issuance of the Refunding Bonds, this Ordinance may be amended, modified or supplemented in any way by the Supplemental Resolution. All provisions required by the Bond Insurer, if any, shall be set forth in the Supplemental Resolution and to the extent they constitute an amendment or modification of this Ordinance, shall be controlling. Following issuance of the Refunding Bonds, this Ordinance and any Supplemental Resolution may, without the consent of any Bondholder or other person, be amended, modified or supplemented in any manner which, in the opinion of Bond Counsel, does not materially adversely affect the interests of the Bondholders or any Bond Insurer, provided that, in the event any of the Bonds are insured, no such amendment or modification which affects the rights of the applicable Bond Insurer for such Bonds may be made without the written consent of such Bond Insurer. Otherwise, no materially adverse amendment or modification to this Ordinance, or of any Supplemental Resolution, may be made without the written consent of the Holders of 60% in aggregate principal amount of the Refunding Bonds then Outstanding and affected thereby and the Bond Insurer, which must be filed with the Clerk of the Issuer before any such modification or amendment may be made. No such modification or amendment shall extend the maturity of or reduce the interest rate on, or otherwise alter the terms of payment of the principal of or interest on, any Bond without the express written consent of the Holder of such Bond, nor reduce the percentage of Refunding Bonds required for consent to any such modification or amendment.

Section 10.02. Evidence of Signatures of Bondholders and Ownership of Bonds. Any request, consent, revocation of consent or other instrument which this Ordinance may require or permit to be signed and executed by Bondholders may be in one or more instruments of similar tenor, and shall be signed or executed by such Bondholders in person or by their attorneys duly authorized in writing. Proof of the execution of any such instrument, or of an instrument appointing or authorizing any such attorney, shall be sufficient for any purpose of this Ordinance if made in the following manner, or in any other manner satisfactory to the Issuer or the Registrar, as the case may be, which may nevertheless in its discretion require further or other proof in cases where it deems the same desirable:

A. The fact and date of the execution by any Bondholder or his attorney of any such instrument may be proved (i) by the certificate of a notary public or other officer authorized to take acknowledgments of deeds to be recorded in the jurisdiction in which he purports to act that the person signing such instrument acknowledged to him the execution thereof, or by the affidavit of a witness of such execution, duly sworn to before such a notary public or other officer or (ii) by the certificate, which need not be acknowledged or verified, of an officer of a bank, a trust company or a financial firm or corporation satisfactory to the Issuer or the Registrar, as the case may be, that the person signing such instrument acknowledged to such bank, trust company, firm or corporation the execution thereof.

B. The authority of a person or persons to execute any such instrument on behalf of a corporate Bondholder may be established without further proof if such instrument is signed by a person purporting to be the president or treasurer or a vice-president or an assistant treasurer of such corporation with a corporate seal affixed, and is attested by a person purporting to be its secretary or assistant secretary.

C. The amount of fully registered Refunding Bonds held by a person executing any instrument as a Bondholder, the date of his holding such Refunding Bonds and the numbers and other identification thereof, shall be confirmed by the Bond Register.

Any request, consent or other instrument executed by the Holder of any Bond shall bind all future Holders and owners of such Bond in respect of anything done or suffered to be done hereunder by the Issuer or the Registrar in accordance therewith.

Section 10.03. Preservation and Inspection of Documents. To the extent allowable under law, all reports, certificates, statements and other documents received by the Registrar under the provisions of this Ordinance shall be retained in its possession and shall be available at all reasonable times for the inspection of the Issuer or any Bondholder, and their agents and their representatives, but any such reports, certificates, statements or other documents may, at the election of the Registrar, be destroyed or otherwise disposed of at any time after such date as the pledge created by this Ordinance shall be discharged as provided in Section 9.01.

Section 10.04. Cancellation of Bonds. All Refunding Bonds purchased or paid shall, if surrendered to the Issuer, be canceled and delivered to the Registrar, or, if surrendered to the Registrar, be canceled by it. No such Bonds shall be deemed Outstanding under this Ordinance and no Refunding Bonds shall be issued in lieu thereof. All such Bonds shall be canceled and upon order of the Issuer shall be destroyed, and a certificate evidencing such destruction shall be delivered to the Issuer.

Section 10.05. Failure to Present Bonds. Anything in this Ordinance to the contrary notwithstanding, any monies held by the Bond Commission or a Paying Agent in trust for the payment and discharge of any of the Refunding Bonds which remain unclaimed for two years after the date on which such Bonds have become due and payable, whether by maturity or upon call for redemption, shall at the written request of the Issuer be paid by the Bond Commission or said Paying Agent to the Issuer as its absolute property and free from trust, and the Bond Commission or said Paying Agent shall thereupon be released and discharged with respect thereto, and the Holders of such Bonds shall look only to the Issuer for the payment of such Bonds; provided, however, that, before making any such payment

to the Issuer, the Registrar, if so advised by the Bond Commission, or said Paying Agent shall send to the Holder, at the address listed on the Bond Register, by certified mail, a notice that such monies remain unclaimed and that, after a date named in said notice, which date shall be not less than 30 days after the date of such notice is mailed, the balance of such monies then unclaimed will be returned to the Issuer.

Section 10.06. Notices, Demands and Requests. Unless otherwise expressly provided, all notices, demands and requests to be given or made hereunder to or by the Issuer, the Registrar, the Depository Bank, the Original Purchaser or the Bond Insurer shall be in writing and shall be properly made if sent by United States mail, postage prepaid, and addressed as follows or if hand-delivered to the individual to whom such notice, demand or request is required to be directed as indicated below:
