RE: General Fund Budget Revision 2

Included herewith you will find the proposed ordinance and "Request for Revision to Approved Budget" for the FY2013 General Fund Budget. An explanation of the proposed changes follows:

The adjustments to revenue reflect a decrease from the projected and approved Business & Occupation Tax on Construct and the anticipated Capital Lease. The "Request for Revision to Approved Budget" is required to include all B&O taxes, however the attached summary provides the detail breakdown for the specific B&O taxes affected. As per your direction, since further adjustments will be proposed, only a portion of the expected decrease in B&O taxes is included.

The adjustments to expenditures reflect the net activity associated with the Capital Lease (\$1,000,000) to be transferred to the Capital Escrow Fund and the decrease in contribution related to the one time B&O taxes on construction. The portion decreased due to the B&O taxes reflects the General Fund's contribution that is directly related to the Capital Escrow budget adjustment approved by City Council at their November 5th meeting.

Additional budget adjustments for the General Fund are expected in the near future for both revenues and expenditures.

The City of Morgantown hereby ordains:
