

MORGANTOWN AIRPORT LABORER

The City of Morgantown is announcing an opening for the position of one temporary part-time Laborer with the Morgantown Municipal Airport. The Laborer works to ensure the safety, security, and maintenance of Airport grounds, equipment, buildings, and facilities as needed. The employee responds to aircraft emergencies, performs aircraft marshaling and servicing, and interacts regularly with pilots, crews, staff and other customers. \$13.98/hr., 32 hrs. week, 6 month position.

Qualifications

- Requires a high school graduate or equivalent.
- Able to speak and write in English and operate a radio.
- Able to operate a light duty truck.
- Able to lift with assistance, objects weighing 100 pounds or more.
- Requires a valid driver's license.

Desirable Qualifications

- Experience in heating, ventilation, air conditioning, electrical, plumbing or vehicle repair.
- Firefighter and/or emergency medical technician training.
- Aircraft equipment, handling and fueling experience.

Individuals interested in this position should submit a resume by November 27, 2015, to the Morgantown Airport, 100 Hart Field Rd., Morgantown, WV 26505. EOE
