

Dear Mrs. Mayor,

If I were mayor I will make more schools. I will make people safe and comfortable. I will help the poor and the homeless. I will upgrade taxes for more schools. I will get more school supplies. I will have more parades. I will add more safety features. I will help all the parents and kids. I will save the environment too. I will ban tobacco in Morgantown. I will create more laws for safety. I will stop criminal act for good. There is my speech thank you but wait! I will stop criminal acts by getting more police. I will keep homecoming running smoothly. Thank you for listening to my speech the end.

Koa
