The Gene Vance Jr. Foundation is an all volunteer organization.

Since 2005, 100% of available funding goes to program expenses that grow and facilitate advances in medical restorative frontiers for our men and women in uniform.

Invitation

Please join with us in Spirit for a moment of silence on Sunday May 17, 2015 at 11.00a.m. EST the day following U.S. Armed Forces Day to pay tribute to all in uniform who choose to boldly go into harm's way for their fellow man.

Know that your silence speaks volumes. Take the stillness of reflection and turn it into action.

There are countless ways we can pay tribute.

Thank you for doing so today.

Please share our message of gratitude and hope with your community, family, friends and loved ones.
