Shelby
Eastwood Elem
4th Grade

If I were Mayor,

I would have a clean up trash day every other week to keep Morgantown clean. I would build a pound or pet store for stray animals. I would put a crosswalk in front of the Morgantown Library. I would give money to schools, have a monthly contest, parade, or some type of celebration. I would make or have someone make a website that helps people find loss pets, and that way if you find a stray you can check before you bring it to the pound or pet store. Keep Morgantown clean!

Sincerely,
Shelby
