

MISSION STATEMENT

MORGANTOWN URBAN LANDSCAPE COMMISSION

Mission:

Promote an aesthetically attractive environment in the public and private sectors of the City of Morgantown.

Responsibilities:

- **Recommend and advocate aesthetic standards for public and private sector development**
- **Serve as a resource to municipal organizations and entities to promote consistent design and maintenance standards**
- **Maintain a plan for municipal urban landscape**
- **Recommend and review projects throughout the city that involve landscaping and related aesthetic issues**
- **Promote a healthy urban forest through the Morgantown Tree Board**
- **Advocate urban landscape education initiatives via the local media and special events**
- **Provide oversight to the professional city staff involved in urban landscape initiatives**
- **Make recommendations and report activities to the City Council annually or as needed**
