

Urban Landscape Commission

(NOTES)

June 26, 2013

4:30pm – City Council Chambers

The meeting was moved to City Council Chambers so the Commission could look at the City web site with Susan Sullivan, the city's Public Communication Manager.

There was not a quorum. Members in attendance had an opportunity to review the web site with Ms. Sullivan and contribute suggestions. Ms Sullivan indicated that changes with the overall look of the site were in the works therefore it may be appropriate to revisit the ULC web information following the changes that are under construction.

A time to meet with Ms. Sullivan will be arranged at a later date.

Meeting was adjourned at 5:30pm.

Next meeting scheduled for July 24, 2013.
