**RE: V13-05 / John Callcott / 383 Rotary Street
Tax Map 7, Parcel 190**

Dear Property Owner:

The City's Planning and Zoning Code requires notification of property owners within two-hundred (200) feet of a site where certain land development and/or land use decisions are required by the Planning Commission or Board of Zoning Appeals.

John Callcott has submitted a variance application for property located at 383 Rotary Street. A map is enclosed with this letter illustrating the location of the subject site.

The **Board of Zoning Appeals** will consider this variance petition at a public hearing on:

**Wednesday, April 17, 2013 at 6:30 PM
City Council Chambers, City Hall, 389 Spruce Street**

Project Description:

The petitioner seeks to raze the existing structure and construct a new single-family home. The proposed development plan requires variance relief approval by the Board of Zoning Appeals to encroach into the minimum rear setback standard.

Should you have any questions concerning these petitions or require special accommodations to attend the hearing noted above, please call the Planning Division at 304-284-7431 or email to shollar@cityofmorgantown.org. Written comments may be submitted to this email address or by mail to the Planning Division address noted above.

The agenda for this hearing and related staff reports will be posted on the City's website, www.morgantownwv.gov, approximately one week before the hearing.

Respectfully,

Stacy Hollar
Executive Secretary
