CONTINUING DISCLOSURE POLICIES AND PROCEDURES

PROCEDURES FOR COMPLIANCE WITH OBLIGATIONS UNDER CONTINUING DISCLOSURE UNDERTAKINGS

(Current as of _____ 2022)

These Procedures for Compliance with Obligations under Continuing Disclosure Undertakings (these “Procedures”) set forth specific procedures of The City of Morgantown, West Virginia (the “City”), designed to assist in compliance with applicable requirements set forth in undertakings (“Continuing Disclosure Undertakings”) providing for ongoing disclosure in connection with the offering of obligations to investors (whether or not tax-exempt/tax-advantaged) which are subject to the continuing disclosure requirements of Rule 15c2-12 (the “Rule”) promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934.

These Procedures document practices and describe various procedures for preparing and disseminating related reports and information and reporting “listed events” for the benefit of the holders of the obligations for which the City enters into Continuing Disclosure Undertakings and to assist the Participating Underwriter (within the meaning of the Rule) in complying with the Rule and the Continuing Disclosure Undertaking.

The City recognizes that compliance with pertinent law is an ongoing process; is necessary during the entire term of any obligations that are subject to (and not exempt from) the Rule and is an integral component of the City’s debt management responsibilities. Accordingly, implementation of these Procedures will require ongoing monitoring and consultation with bond counsel and the City’s accountants and advisors.

General Policies and Procedures

The following policies relate to procedures and systems for monitoring post-issuance compliance generally.

1. The City Manager of The City of Morgantown (the “Compliance Officer”) shall be responsible for monitoring post-issuance compliance issues.
2. The Compliance Officer will coordinate procedures for record retention and review of such records.
3. All documents and other records relating to obligations that are subject to (and not exempt from) the Rule for which the City has entered into Continuing Disclosure Undertakings shall be maintained by or at the direction of the Compliance Officer.

4. The Compliance Officer will review post-issuance compliance procedures and systems on a periodic basis, but not less than annually.
5. The Compliance Officer will review the annual information required to be filed pursuant to each Continuing Disclosure Undertaking.

Continuing Disclosure

Under the provisions of the Rule, Participating Underwriters are required to reasonably determine that issuers or other obligated persons, as described in the Rule, have entered into and will comply with written Continuing Disclosure Undertakings to make ongoing disclosure in connection with offerings of obligations to investors subject to the Rule. Unless the City is exempt from compliance with the Rule or the continuing disclosure provisions of the Rule as a result of certain permitted exemptions, a Continuing Disclosure Undertaking executed by the City will be required.

In order to monitor compliance by the City with its Continuing Disclosure Undertakings, the Compliance Officer will take the actions listed below, if and as required by such Continuing Disclosure Undertakings. The Compliance Officer may coordinate with staff, and may engage a dissemination agent, administrator, counsel, and/or other professionals to assist in discharging the Compliance Officer's duties under these Procedures as the Compliance Officer deems necessary.

A. Compilation of Currently Effective Continuing Disclosure Undertakings

The Compliance Officer shall compile and maintain a set of all currently effective Continuing Disclosure Undertakings of the City. Such agreements are included in the transcript of proceedings for the respective obligation issue. Continuing Disclosure Undertakings are "Currently Effective" for purposes of these Procedures (and hence shall be included in the set of Currently Effective Continuing Disclosure Undertakings) for so long as the obligations to which they relate are outstanding. As obligations are completely repaid or redeemed, the Compliance Officer shall remove the related Continuing Disclosure Undertakings from the set of Currently Effective Continuing Disclosure Undertakings.

B. Annual Review and Annual Reporting Requirements

The Compliance Officer shall ensure that all necessary financial statements, financial information and operating data is filed in the manner and by the filing dates set forth in the Currently Effective Continuing Disclosure Undertakings. The Compliance Officer shall review the set of Currently Effective Continuing Disclosure Undertakings annually, prior to each annual filing, keeping in mind:

- The financial information and operating data required to be reported under a particular Continuing Disclosure Undertaking may differ from the financial information and operating data required to be reported under another Continuing Disclosure Undertaking; and

- The timing requirements for reporting under a particular Continuing Disclosure Undertaking may differ from the timing requirements for filing under another Continuing Disclosure Undertaking.

C. Calendar; EMMA Notification System

The Compliance Officer shall keep a calendar of all pertinent filing dates required under the City's Currently Effective Continuing Disclosure Undertakings. The Compliance Officer shall also subscribe to notification services made available through the Electronic Municipal Market Access system of the Municipal Securities Rulemaking Board.

D. Annual Review of Prior Filings

As part of the annual review process, the Compliance Officer shall also review prior filings made within the past five years subsequent to the last such review of prior filings. If the Compliance Officer discovers any late or missing filings, the Compliance Officer (after discussing the circumstances with the City's dissemination agent, counsel or other agents as necessary) shall file the missing information.

E. Monitoring of Listed Events

The Compliance Officer shall monitor the occurrence of any of the following events and/or other events set forth in the Currently Effective Continuing Disclosure Undertakings and shall provide notice of the same in the required manner and by the relevant reporting deadline (generally within 10 business days of the occurrence of the event):

733.10. Local Rate and Boundary Database; Changes.

(a) The Tax Commissioner is required by *W. Va. Code* § 11-15B-35 to maintain a database for all jurisdictions levying a sales or use tax in this State. The City Clerk shall furnish the Tax Commissioner with information the Tax Commissioner requires for that database that will allow the Tax Commissioner to maintain a database that assigns each five-digit and nine-digit zip code within the City to the proper rate of tax. If any nine-digit zip code area includes area outside

the City, the single state and local rate assigned to that area in the Tax Commissioner's database will be the lowest rate applicable to that area; provided that, when sales occur at and are sourced to a physical location of the Seller located in the City in that nine-digit zip code area, the Seller shall collect and remit the tax imposed by Section 733.03.

(b) Whenever the boundaries of the City change, the City Clerk shall promptly notify the Tax Commissioner of the change in a writing including the following: (i) the nine-digit zip code or codes for the area added or removed, (ii) any other information the Tax Commissioner may require to maintain the database. After the submission of the rate and boundary database in order to implement the taxes imposed under this Article, an act of Council annexing property into the City or removing property from the City shall provide that the boundary change may not take effect any sooner than the first day of a calendar quarter that begins sixty days after the City provides written notice to the Tax Commissioner of a change in the municipal boundaries.

(c) The nine-digit database shall be maintained by the City until such time as the Tax Commissioner allows use of a different system to determine whether a location is within or outside the corporate limits of the City.

733.11. State-level administration.

(a) The Tax Commissioner is responsible for administering, collecting, and enforcing the taxes imposed by this Article as provided in *W. Va. Code* §§8-13C-6 and 11-15B-33. The City may enter into a written agreement with the Tax Commissioner that will allow employees of the City auditing a vendor whose primary business location is in the City for compliance with the City's business and occupation tax to also audit that business location for compliance with the sales and use tax laws of this state and the City and obligate the City to share that information with the Tax Commissioner.

(b) The Tax Commissioner may retain from collections of the taxes imposed by this Article the fee allowed by *W. Va. Code* § 11-10-11c or by any other state law or legislative rule.

(c) The Tax Commissioner shall deposit all the proceeds from collection of the taxes imposed by this Article, minus any fee authorized by law for collecting, enforcing, and administering taxes retained under this Article, in the subaccount for the City established in the "Municipal Sales and Service Tax and Use Tax Fund," an interest-bearing account created in the state treasury pursuant to *W. Va. Code* § 8-13C-7. All funds collected and deposited in the subaccount for the City shall be remitted at least quarterly by the State Treasurer to the City's Finance Director, as provided in *W. Va. Code* § 8-13C-7.

733.12. Administrative procedures.

(b) The Finance Director shall have the authority to adopt and implement such other and additional regulations, not inconsistent with Paragraph (a), as are appropriate for the administration, interpretation, and enforcement of this Article, including provision for administering the funds deposited in the special revenue fund created by this Article. Such regulations shall not impair or interfere with the authority and responsibility of the State Tax Commissioner for administering, collecting, and enforcing the tax obligations established by this Article.

733.13. Criminal penalties.

The provisions of the West Virginia Tax Crimes and Penalties Act, set forth in West Virginia Code Chapter 11, Article 9, applies to the administration, collection and enforcement of the taxes imposed by this Article with like effect as if that act were applicable only to the taxes imposed pursuant to this Article and were fully set forth in this Article; provided that the criminal penalties imposed upon conviction for a criminal violation of this Article may not exceed the maximum penalties allowed by law for a violation of the ordinances of the City.

733.14. Automatic updating.

Any amendments to the provisions of the West Virginia Code currently codified at Chapter 11, Articles 9, 10, 15, 15A, or 15B shall automatically apply to the taxes imposed by this Article, to the extent the amendments are applicable.

(c) Funds in the City Sales and Use Tax Fund shall be used as follows (the following purposes shall be of equal priority with no one purpose having priority over another with respect to use of funds in the City Sales and Use Tax Fund):

(1) Twenty-five percent of such funds shall be allocated for recreational facilities and services operated or maintained by the Board of Park and Recreation Commissioners of Morgantown, West Virginia ("BOPARC"), including without limitation the construction of capital improvements, construction of facilities, and acquisition of property, fixtures and equipment for recreational purposes, solely or jointly with other entities or agencies, including without limitation associated retail and service facilities that are directly related to, and used in conjunction with, recreational facilities operated by BOPARC, and including satisfying the debt service requirements each fiscal year on any bonds or other repayment obligations issued either directly by the City or issued by the Morgantown Building Commission, the Morgantown Land Reuse and Preservation Agency, or other entity created by the City which has issued bonds or other repayment obligations to finance the construction or improvement of such recreational facilities which are being leased by such entity to the City or to BOPARC, for which the City Sales and Use Tax Fund is either dedicated or planned to be budgeted as the payment source, including any refunding bonds issued by the City or any of such other entities to refinance bonds or other repayment obligations previously issued to pay for such recreational facilities;

including any refunding bonds issued by the City or any of such other entities to refinance bonds or other repayment obligations previously issued to pay for such capital improvement projects; and

(4) Twenty-five percent of such funds shall be allocated, at the discretion of Council, for any or any combination of the following purposes:

The City may pledge or otherwise utilize the collections of the taxes imposed by this Article and the funds on deposit from time to time in the City Sales and Use Tax Fund to satisfy the debt service requirements, any prior debt service requirements, to fund or replenish any required reserves and pay any other costs in accordance with the requirements for any bonds or other obligations issued or to be issued by the City from time to time, including any refunding bonds, to finance or refinance costs described in 733.15(c) above and as described in this section, and/or to make lease payments which repay the debt service or otherwise secure bonds or other obligations issued by other entities created by the City to finance or refinance costs described in 733.15(c) above and other costs described in this section. The City may utilize the procedures established pursuant to the Bond Act in connection with the issuance of such bonds or other repayment obligations and in connection therewith it is hereby clarified and directed that the taxes imposed by this Article shall not be considered taxes imposed solely for the purposes of, and as contemplated by, West Virginia Code Chapter 8, Article 16.

733.17. Severability.

If any provision of this Article, or the application of this Article to any person or circumstance, is found invalid by a person or entity having jurisdiction to make such determination, such invalidity shall not affect the validity or application of other provisions of this Article which can be given effect without the inclusion of the provision invalidated. To this end, the provisions of this Article shall be construed as severable. The City Council finds and declares that it would have adopted this Article irrespective of the invalidity of any particular provision hereof and intends that any portion deemed invalid should be severed and the balance of the Article given effect and enforced without regard to the invalid provision.

Dear Director Marra:

This letter is in response to the new syringe access law in WV. The Morgantown City Council voted in support of the Milan Puskar Health Right's LIGHT (Living In Good Health Together) Program at their November 2, 2021, Regular Council meeting. For seven years, this program has been providing harm reduction and syringe access in Morgantown, WV. We support LIGHT because it helps reduce infectious diseases in our community and provides overdose reversal supplies that help reduce the number of overdose deaths. Because the program reaches a vulnerable population of people with substance use disorder, LIGHT staff and volunteers have the opportunity to establish rapport and help move people toward treatment.

Sincerely,

Jenny Selin
