

Woodburn Commission

Minutes: Special Meeting, Thursday, April 17, 2025

Members: John Trumble, Danielle Trumble, Sameera Abu-Ghannam, Lauren Krupica, Shelley Johnson

Guests: Jessica Stuck (LGA Architect), Damien Davis (Acting City Manager), and Emily Muzzarelli (Assistant City Manager)

The meeting was held in City Hall, rather than our typical meeting place of the Woodburn Complex; it was called to order at 4:11 pm. Minutes from the previous meeting had been accepted.

New Business:

- The Commission agreed to go ahead with the plans to have the roof of the main building and gymnasium section of Woodburn replaced (building A & B on the plans received by Landmarks). This is being fast tracked to fix the current leaks.
- Costs will be put together to best fit projects in as the budget allows.
- Will be in touch about the next time we will meet

There was a motion to adjourn by Danielle, with a second by Lauren. Meeting adjourned at 5:43pm.
