SAMPLE FLORISTIC DISJUNCT PLANT LIST

Some species involved in the EA/ENA floristic disjunction (not a complete list) that are found in WV and Asia

Compiled by Zachariah Fowler, WVU Core Arboretum

- Campsis**
 North American:
 • *Campsis radicans*, American trumpet vine
 Asian:
 • *Campsis grandiflora*, Chinese trumpet vine
- Carya**
 North American:
 • *Carya cordiformis*, bitternut hickory
 • *Carya glabra*, pignut hickory
 • *Carya illinoensis*, pecan
 • *Carya laciniata*, shellbark hickory
 • *Carya ovata*, shagbark hickory
 • *Carya tomentosa*, mockernut hickory
 Asian:
 • *Carya cathayensis*, Chinese hickory
 • *Carya hunanensis*, Hunan hickory
 • *Carya kweichowensis*, Guizhou hickory
 • *Carya poilanei*, Poilane's hickory
 • *Carya tonkinensis*, Vietnamese hickory

- Nelumbo**
 North American:
 • *Nelumbo lutea*, American lotus
 Asian:
 • *Nelumbo nucifera*, sacred lotus

- Nyssa**
 North American:
 • *Nyssa sylvatica*, black gum
 Asian:
 • *Nyssa sinensis*, Chinese tupelo
 • *Nyssa yunnanensis*, Yunnan tupelo

- Pachysandra**
 North American:
 • *Pachysandra procumbens*, Allegheny pachysandra
 Asian:
 • *Pachysandra axillaris*, Chinese pachysandra
 • *Pachysandra terminalis*, Japanese pachysandra

- Panax**
 North American:
 • *Panax quinquefolius*, American ginseng
 Asian:
 • *Panax ginseng*, Asian ginseng
 • *Panax vietnamensis*, Vietnamese ginseng

- Podophyllum**
 North American:
 • *Podophyllum peltatum*, mayapple
 Asian:
 • *Dysosoma delavayi*, Chinese mayapple
 • *Dysosoma pleiantha*, many flowered Chinese mayapple
 • *Dysosoma versipellis*, no common name found
 • *Sinopodophyllum hexandrum*, Himalayan mayapple

- Pogonia**
 North American:
 • *Pogonia ophioglossoides*, rose pogonia
 Asian:
 • *Pogonia japonica*, Asian pogonia
 • *Pogonia yunnanensis*, no common name found

- Sassafras**
 North American:
 • *Sassafras albidum*, sassafras
 Asian:
 • *Sassafras tzumu*, Chinese sassafras
 • *Sassafras randaiense*, Taiwan sassafras

- Sanguinaria**
 North American:
 • *Sanguinaria canadense*, bloodroot
 Asian:
 • *Eomecon chionantha*, snow poppy

- Saururus**
 North American:
 • *Saururus cernuus*, lizard's tail
 Asian:
 • *Saururus chinensis*, Asian lizard's tail

- Symplocarpus**
 North American:
 • *Symplocarpus foetidus*, skunk cabbage
 Asian:
 • *Symplocarpus renifolius*, Asian skunk cabbage

- Catalpa**
 North American:
 • *Catalpa bignonioides*, Southern catalpa
 • *Catalpa speciosa*, Northern catalpa
 Asian:
 • *Catalpa bungei*, Manchurian catalpa
 • *Catalpa ovata*, Chinese catalpa

- Caulophyllum**
 North American:
 • *Caulophyllum thalictroides*, blue cohosh
 Asian:
 • *Caulophyllum robustum*, Asian blue cohosh

- Gleditsia**
 North American:
 • *Gleditsia triacanthos*, thorny honey locust
 Asian:
 • *Gleditsia caspica*, Persian honeylocust
 • *Gleditsia japonica*, Japanese honeylocust
 • *Gleditsia sinensis*, Chinese honeylocust

- Hamamelis**
 North American:
 • *Hamamelis virginiana*, witch hazel
 Asian:
 • *Hamamelis japonica*, Japanese witch hazel
 • *Hamamelis mollis*, Chinese witch hazel

- Jeffersonia**
 North American:
 • *Jeffersonia diphylla*, twinleaf
 Asian:
 • *Jeffersonia dubia*, Asian twinleaf

- Lindera**
 North American:
 • *Lindera benzoin*, spicebush
 Asian:
 • *Lindera aggregata*, Japanese evergreen spicebush
 • *Lindera obtusiloba*, blunt-lobed spicebush

- Liriodendron**
 North American:
 • *Liriodendron tulipifera*, tulip tree
 Asian:
 • *Liriodendron chinense*, tulip tree

- Lyonia**
 North American:
 • *Lyonia ligustrina*, maleberry
 Asian:
 • *Lyonia ovalifolia*, lyonia

- Mitchella**
 North American:
 • *Mitchella repens*, partridge berry
 Asian:
 • *Mitchella undulata*, no common name found
